Case No. 05-44481 (RDD)
(Jointly Administered)

MOTION FOR ORDER UNDER 11 U.S.C. §§ 363, 1113 AND 1114
AND FED. R. BANKR. P. 6004 AND 9019 APPROVING MEMORANDUM OF UNDERSTANDING
AMONG UAW, DELPHI, AND GENERAL MOTORS CORPORATION
INCLUDING MODIFICATION OF UAW COLLECTIVE BARGAINING AGREEMENTS
AND RETIREE WELFARE BENEFITS FOR CERTAIN UAW-REPRESENTED RETIREES

("UAW 1113/1114 SETTLEMENT APPROVAL MOTION")

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this motion (the "Motion")¹ for an order approving under 11 U.S.C. §§ 363, 1113 and 1114 of the Bankruptcy Code and Fed. R. Bankr. P. 6004 and 9019, (i) a memorandum of understanding regarding Delphi's restructuring entered into among the United Automobile, Aerospace and Agricultural Implement Workers of America (the "UAW"), Delphi, and General Motors Corporation ("GM") (the "UAW Settlement Agreement" or the "Memorandum of Understanding"),² a comprehensive agreement that (a) modifies, extends, or terminates provisions of the existing collective bargaining agreements among Delphi, the UAW, and its various locals (the "UAW CBAs"), and (b) provides that GM and Delphi will undertake certain financial obligations to Delphi's UAW-represented employees and retirees to facilitate these modifications, (ii) withdrawal without prejudice of the Debtors' Motion For Order Under 11 U.S.C. § 1113(c) Authorizing Rejection Of Collective Bargaining Agreements And Under 11 U.S.C. § 1114(g) Authorizing Modification Of Retiree Welfare Benefits (the "1113/1114 Motion") as it solely pertains to the UAW and UAW-represented retirees and approving the parties' settlement of the 1113/1114 Motion as it pertains to the UAW and UAW-represented retirees, and (iii) modification of retiree welfare benefits for certain UAW-represented retirees of the Debtors.

¹ A copy of the informational notice provided to active Delphi hourly employees and hourly retirees represented by the UAW in connection with the Motion is attached hereto as Exhibit 1.

² A copy of the UAW Settlement Agreement is annexed to the Proposed Order which is attached hereto as Exhibit 2. Capitalized terms used and not otherwise defined herein have the meanings ascribed to them in the UAW Settlement Agreement.

Introduction

1. The UAW, Delphi, and GM have discussed the challenges impacting Delphi and its UAW-represented operations. As GM's largest supplier and the employer of thousands of UAW-represented employees, indirectly supporting tens of thousands of dependents, retirees, and surviving spouses, these parties have a critical interest in Delphi's successful emergence from bankruptcy with certain UAW-represented operations. These parties acknowledge that restructuring actions are necessary and commit to take specific actions to protect the needs of these parties and their constituencies, continuing progress already made toward transforming Delphi's labor cost structure and ongoing business operations.

2. The UAW has already agreed to an attrition program pursuant to which thousands of employees at traditional Big Three wages and benefits took buy outs, flowbacks to GM, or retired, and the UAW waived Delphi obligations to hire thousands of new employees as a result of the departures caused by the attrition program. The UAW, Delphi, and GM have also agreed to the "Term Sheet – Delphi Pension Freeze and Cessation of OPEB, and GM Consensual Triggering of Benefit Guarantee"³ facilitating the freeze of Delphi's pension plan and the assumption of billions of dollars of OPEB liabilities by GM, thereby dramatically reducing Delphi's ongoing benefit costs and liabilities.

3. In addition to the above, to enable continued transformation to more competitive wage and benefit levels, to address capacity, divestiture, work rules, and staffing level issues, and to better position Delphi to retain existing business and attract new business, the UAW, Delphi, and GM have entered into various agreements in the Memorandum of

³ This agreement is Attachment B to the Memorandum of Understanding.

Understanding on a two-party or three-party basis, as applicable, which agreements were ratified by the UAW membership on June 28, 2007.

4. On March 31, 2006, the Debtors filed the 1113/1114 Motion after they were unable to consummate consensual modifications to the Debtors' collective bargaining agreements and retiree welfare benefits with the UAW and the other unions representing certain of its U.S. employees and retirees (the "Unions")⁴ during the first six months of its chapter 11 reorganization cases. The Debtors continued to negotiate with the Unions even after they filed the 1113/1114 Motion, and represented that they would continue to negotiate with the Unions even if Debtors obtained the order requested in the 1113/1114 Motion.⁵ The parties were unable to reach a consensus before the scheduled commencement of the hearing on the 1113/1114 Motion on May 9, 2006. This Court conducted hearings on the contested motion on various trial dates in May and June 2006, the record of which constitutes part of the basis for approval of the relief requested in this Motion. Throughout the 1113/1114 proceedings, however, the Debtors and the Unions continued to seek negotiated alternatives to litigation.

5. On June 8, 2006, the Debtors and all respondents to the 1113/1114 Motion conducted a "meet and confer" at which the parties agreed to submit a scheduling order to this

⁴ These unions include the International Union of Electronic, Electrical, Salaried, Machine and Furniture Workers-Communication Workers of America ("IUE-CWA"), the United Steelworkers of America ("USW"), the International Association of Machinists and Aerospace Workers, the International Brotherhood of Electrical Workers, the International Union of Operating Engineers, and their local affiliates.

⁵ The Debtors' proposed modifications to the UAW CBAs upon which their 1113/1114 Motion was based are described in detail in the 1113/1114 Motion and the accompanying Declaration Of Darrell Kidd In Support of the 1113/1114 Motion (Docket No. 3039). In sum, the Debtors' proposed modifications contemplated two possible scenarios: one in which they received no or inadequate financial support from GM (the "Competitive Benchmark Proposals") and the other in which they received financial support from GM adequate to offer less restrictive or severe modifications to their national and local labor agreements (the "GM Consensual Proposals"). The UAW, as well as the Debtors' other U.S. labor unions, rejected the Competitive Benchmark Proposals and took the position that the Competitive Benchmark and GM Consensual Proposals were unacceptable and did not provide a framework for negotiations. The Memorandum of Understanding that is the basis of this Motion is essentially a fully negotiated GM Consensual Proposal on terms acceptable to the UAW, Delphi, and GM.

Court which provided for a recess of the hearings until August 11, 2006 (Docket No. 4170).

During the next five months, the Debtors' discussions with the Unions, GM, and other stakeholders continued. As a consequence of those negotiations, the parties submitted to this Court further scheduling orders adjourning the 1113/1114 Motion through the balance of 2006 and, on January 31, 2007, this Court suspended further proceedings on the 1113/1114 Motion (Docket No. 6779). Further orders continuing the suspension of the 1113/1114 Motion have been granted by this Court with the intention of allowing the parties additional time to negotiate consensual modifications to Delphi's labor agreements.

6. The UAW Settlement Agreement applies only to the UAW and does not resolve the 1113/1114 Motion as to the remaining Unions. As of the date of this Motion, however, the Debtors are engaged in active bargaining with their second and third largest Unions and expect to renew formal bargaining with their three remaining Unions prior to the hearing date on this Motion in an effort to reach consensual agreements with all of the remaining Unions that could be considered by this Court as early as the August 16, 2007 omnibus hearing.

7. The UAW Settlement Agreement, among other subject matters,⁶ provides that:⁷

⁶ Delphi and the UAW have also agreed that Delphi will pay as soon as reasonably practicable after the Effective Date approximately (but in no event more than) \$993,000 in cash severance and vacation payments to former UAW-represented hourly employees of Manufacturers Products Co. ("MPC"), a former distressed supplier to the Debtors. The payments relate to an unfunded budget line for severance and vacation payments in connection with an Accommodation Agreement dated January 24, 2006 among Delphi, MPC, and certain third parties pursuant to which parts (including an inventory bank) were produced in February and March 2006. Delphi had previously disputed any contractual or other basis for these claims. Based on Delphi's participation in the Accommodation Agreement, its pro-rata apportionment of the claims would have been approximately \$233,355. When MPC wound down and distributed the proceeds of its liquidation, Delphi received approximately \$209,000 in reimbursement of payments made under the Accommodation Agreement; however, none of the severance or vacation payments to UAW-represented employees contemplated under the Accommodation Agreement were previously paid. These MPC-related payments are to be in full satisfaction of all claims against the Debtors arising or related to MPC and the Accommodation Agreement and the Debtors will receive full releases therefor, including from each payment recipient. In addition, all related claims filed in Delphi's chapter 11 cases will be disallowed and expunged, including claim no. 13270.

(A) Effective upon the later of entry of this Court's approval order in respect of the Motion or the first Monday following receipt of written notice of ratification from the UAW:⁸

- The term of the UAW CBAs are extended until September 14, 2011;
- A site plan is implemented with respect to each of 21 UAW-Delphi plants which includes specific revenue, production, and job commitments from Delphi and/or GM and pursuant to which Delphi will retain ownership and operations in four facilities, seven facilities will be sold or transferred to a third party so that Delphi will have no further operational or employment responsibilities after certain specified sunset dates, and ten facilities will be closed;
- A workforce transition program is implemented for traditional UAW-represented employees that provides eligible employees with transformation plan options including (1) attrition options similar to the previously-approved UAW attrition programs, (2) flowback rights to eligible Delphi employees as of the Petition Date (as defined below) who do not elect the attrition options, including relocation allowances of up to \$67,000 in certain circumstances when plants cease production, (3) provision of lump sum "buy-down" payments totaling \$105,000 for traditional production employees who do not elect the attrition option or flowback and continue to work for Delphi under the terms of the 2004 UAW-Delphi Supplemental Agreement applicable to employees hired after 2004, transferring those employees to Supplemental Employee Status as of October 1, 2007, (4) conversion of temporary employees in UAW-Delphi plants to permanent employee status, and (5) severance payments up to

⁷ The summary of the UAW Settlement Agreement set forth in this Motion is qualified entirely by and is subject to the actual terms and conditions of the UAW Settlement Agreement filed as an exhibit to the Proposed Order which is attached hereto as Exhibit 2.

⁸ Until the effective date of a plan of reorganization, nothing in the UAW Settlement Agreement will constitute an assumption of any agreement described in the UAW Settlement Agreement, including, without limitation, any collective bargaining agreement between the UAW and Delphi (except as provided for in Section K.3) or any commercial agreement between GM and Delphi, nor will anything in the UAW Settlement Agreement be deemed to create an administrative or priority claim with respect to GM or convert a prepetition claim into a postpetition claim or an administrative expense with respect to any party. The UAW Settlement Agreement also provides that the UAW, Delphi, and GM agree (and the order approving this Motion must also provide) that the UAW Settlement Agreement is without prejudice to any interested party (including the UAW, Delphi, GM, and the statutory committees) in all other aspects of Delphi's chapter 11 cases and the UAW, Delphi, and GM reserve all rights not expressly waived in the UAW Settlement Agreement.

\$40,000 to eligible employees who are permanently laid off prior to September 14, 2011;⁹

- Certain terms of the 2004 UAW-Delphi Supplemental Agreement with respect to wages, individual retirement and savings plans, and post-retirement health care accounts are modified;
- Certain terms of the UAW CBAs are modified with respect to provisions covering hiring requirements, existing CHR/Legal Services, holiday schedule, workers' compensation letter, temporary employees, Appendix L, GIS, AOL, and other matters described in Attachment E to the Memorandum of Understanding;
- Local negotiations subject to mutual agreement regarding work rules and other local agreement issues will be conducted on an expedited basis;
- Delphi's commitment in the Supplemental Agreement to the principle of "equivalence of sacrifice" when establishing compensation and benefit levels for salaried employees and management is reaffirmed;
- All employee, retiree, and union asserted and unasserted claims are settled (except for waiver of rights to vested pension benefits, workers compensation benefits, unemployment compensation benefits, and pending ordinary course grievances of employees remaining in the workforce); and
- The UAW will receive an allowed prepetition claim in the amount of \$140 million on account of the CHR and Legal Services claims as of April 1, 2007 (to be adjusted by the difference between accruals through October 1, 2007 and expenditures until the effective date of a plan of reorganization) of which \$30 million will be paid to the UAW-GM Center for Human Resources and the balance will be paid directly to the DC VEBA established pursuant to a settlement agreement approved by the court in the case of International Union, UAW, et al. v. General Motors Corp., Civil Action No. 05-73991.¹⁰

⁹ GM will receive certain claims in connection with certain of these commitments as specified in Attachment C to the UAW Settlement Agreement.

¹⁰ The UAW and the Debtors agree that Sections H.3 and J.3 are clarified to provide for the continuance of CHR accruals through October 1, 2007 and that the UAW will receive on the Effective Date an allowed prepetition general unsecured claim against Delphi in the amount of \$140 million to be paid pursuant to the plan of reorganization following substantial consummation of a plan of reorganization. The UAW and the Debtors

(B) Effective upon the execution by Delphi and GM of a comprehensive settlement agreement resolving certain financial, commercial, and other matters between Delphi and GM and substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases and confirmed by this Court which incorporates, approves, and is consistent with all of the terms of the UAW Settlement Agreement and Delphi-GM settlement:

- Delphi's obligation to provide certain retiree welfare benefits is eliminated and GM is obligated to provide certain retiree welfare benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- A transfer of certain pension assets and liabilities from Delphi's pension plans to GM's pension plans is effectuated pursuant to Internal Revenue Code Section 414(l) in exchange for certain consideration to be paid by Delphi to GM;
- Delphi's existing pension plan is frozen in certain respects effective upon emergence from chapter 11 and GM is obligated to pay certain benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- The amount of \$450 million is funded by GM, which the UAW has directed to be paid directly to the DC VEBA established pursuant to a settlement agreement approved by the court in the case of International Union, UAW, et al. v. General Motors Corp., Civil Action No. 05-73991;
- The Memorandum of Understanding (including the UAW CBAs) is assumed pursuant to 11 U.S.C. § 365;
- The UAW released parties are exculpated and released in connection with the Memorandum of Understanding and Delphi's chapter 11 cases; and
- Delphi and GM receive releases from the UAW, all employees and former employees of Delphi represented or formerly represented by the UAW, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly

further agree that: (a) Section H.3 is clarified to be subject to and consistent with Section J.3; (b) the first sentence of J.3 is clarified to mean that Delphi will continue to make payments in the ordinary course of business until the effective date of a plan of reorganization; (c) the second sentence of J.3 is clarified to be consistent with this footnote and the Approval Order; and (d) the adjustment calculation referred to in the second sentence of J.3 is clarified to mean adjustment for accruals through October 1, 2007 and adjustment for expenditures by Delphi until the effective date of a plan of reorganization.

or indirectly from or in any way related to any obligations under the collective bargaining agreements or the Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the Memorandum of Understanding).

8. The Debtors submit that approval of the UAW Settlement Agreement, which resolves Delphi's 1113/1114 Motion as it pertains to the UAW, is in the best interests of the Debtors and their stakeholders. The Debtors believe that approval of the UAW Settlement Agreement will facilitate the Debtors' ability to reach consensual resolutions of their labor issues with the remaining Unions and GM and permit the Debtors to continue to implement their transformation plan and to promptly develop, prosecute, confirm, and consummate a plan of reorganization.

Background

A. The Chapter 11 Filings

9. On October 8 and 14, 2005 (collectively, the "Petition Date"), the Debtors filed voluntary petitions in this Court for reorganization relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as then amended (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession under Bankruptcy Code sections 1107(a) and 1108. This Court has ordered joint administration of these cases.

10. No trustee or examiner has been appointed in these cases. On October 17, 2005, the Office of the United States Trustee (the "U.S. Trustee") appointed an official committee of unsecured creditors. On April 28, 2006, the U.S. Trustee appointed an official committee of equity holders.

11. This Court has jurisdiction over this motion pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

12. The statutory predicates for the relief requested herein are sections 363, 1113, and 1114 of the Bankruptcy Code and Rule 6004 and 9019 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

B. Business Operations Of The Debtors

13. Delphi and its subsidiaries and affiliates (collectively, the "Company") as of December 31, 2006 had global net sales of \$26.4 billion and global assets of approximately \$15.4 billion.¹¹ At the time of its chapter 11 filing, Delphi ranked as the fifth largest public company business reorganization in terms of revenues and the thirteenth largest public company business reorganization in terms of assets. Delphi's non-U.S. subsidiaries are not chapter 11 debtors and continue their business operations without supervision from this Court.¹²

14. The Company is a leading global technology innovator with significant engineering resources and technical competencies in a variety of disciplines, and is one of the largest global suppliers of vehicle electronics, transportation components, integrated systems and modules, and other electronic technology. The Company supplies products to nearly every major global automotive original equipment manufacturer.

¹¹ The aggregated financial data used in this Motion generally consists of consolidated information from Delphi and its worldwide subsidiaries and affiliates as disclosed in the Company's Form 10-K filed on February 27, 2007.

¹² On March 20 2007, Delphi Automotive Systems Espana S.L., whose sole operation is a non-core automotive component plant in Cadiz, Spain, filed a "Concurso" application for a Spanish insolvency proceeding. The application was approved by the Spanish court on April 13, 2007. The Concurso proceeding does not affect other Delphi legal entities in Spain or elsewhere and is an isolated event that is consistent with Delphi's transformation plan to optimize its manufacturing footprint and to lower its overall cost structure.

15. Delphi was incorporated in Delaware in 1998 as a wholly-owned subsidiary of GM. Prior to January 1, 1999, GM conducted the Company's business through various divisions and subsidiaries. Effective January 1, 1999, the assets and liabilities of these divisions and subsidiaries were transferred to the Company in accordance with the terms of a Master Separation Agreement between Delphi and GM. In connection with these transactions, Delphi accelerated its evolution from a North American-based, captive automotive supplier to a global supplier of components, integrated systems, and modules for a wide range of customers and applications. Although GM is still the Company's single largest customer, today more than half of Delphi's revenue is generated from non-GM sources.

C. Events Leading To The Chapter 11 Filing

16. In the first two years following Delphi's separation from GM, the Company generated approximately \$2 billion in net income. Every year thereafter, however, with the exception of 2002, the Company has suffered losses. In calendar year 2004, the Company reported a net loss of approximately \$4.8 billion on \$28.6 billion in net sales.¹³ Reflective of a continued downturn in the marketplace, in 2005 Delphi incurred net losses of approximately \$2.4 billion on net sales of \$26.9 billion. Moreover, in 2006, the Debtors incurred a net loss of \$5.5 billion, \$3.0 billion of which comprised charges related to Special Attrition Programs.

17. The Debtors believe that the Company's financial performance has deteriorated because of (i) increasingly unsustainable U.S. legacy liabilities and operational restrictions preventing the Debtors from exiting non-profitable, non-core operations, all of which have the effect of creating largely fixed labor costs, (ii) a competitive U.S. vehicle production

¹³ Reported net losses in calendar year 2004 reflect a \$4.1 billion tax charge, primarily related to the recording of a valuation allowance on the U.S. deferred tax assets as of December 31, 2004. The Company's net operating loss in calendar year 2004 was \$482 million.

environment for domestic automakers resulting in the reduced number of motor vehicles that GM produces annually in the United States and related pricing pressures, and (iii) increasing commodity prices.

18. In light of these factors, the Company determined that it would be imprudent and irresponsible to defer addressing and resolving its U.S. legacy liabilities, product portfolio, operational issues, and forward-looking revenue requirements. Because discussions with its stakeholders had not progressed sufficiently by the end of the third quarter of 2005, the Company commenced these chapter 11 cases for its U.S. businesses to complete the Debtors' transformation plan and preserve value for its stakeholders.

19. On March 31, 2006, the Company outlined five key tenets of its transformation plan. First, Delphi must modify its labor agreements to create a competitive arena in which to conduct business. Second, the Debtors must conclude their negotiations with GM to finalize GM's financial support for the Debtors' legacy and labor costs and to ascertain GM's business commitment to the Company. Third, the Debtors must streamline their product portfolio to capitalize on their world-class technology and market strengths and make the necessary manufacturing alignment with their new focus. Fourth, the Debtors must transform their salaried workforce to ensure that the Company's organizational and cost structure is competitive and aligned with its product portfolio and manufacturing footprint.¹⁴ Finally, the Debtors must devise a workable solution to their current pension situation.

¹⁴ As part of this effort, effective July 1, 2006, the Company realigned its business operations to focus its product portfolio on core technologies for which the Company believes it has significant competitive and technological advantages. The Company's revised operating structure consists of its four core business segments: Electronics and Safety, Thermal Systems, Powertrain Systems, and Electrical/Electronic Architecture. The Company also has two additional segments, Steering and Automotive Holdings Group, which will be transitioned as part of the Company's transformation plan.

D. The Debtors' Prior Special Attrition Programs

20. On March 22, 2006, Delphi, GM and the UAW entered into a three-party agreement establishing a special attrition program (the "UAW Special Attrition Program"), pursuant to which certain eligible Delphi U.S. hourly employees represented by the UAW were offered normal and early voluntary retirements with a \$35,000 lump sum incentive payment paid by Delphi and reimbursed by GM. The program also provided a pre-retirement program for employees with at least 27 and fewer than 30 years of credited service. In addition, employees who elected to participate were eligible to retire as employees of Delphi or to flow back to GM and retire.

21. On June 5, 2006, Delphi, GM, and the UAW agreed on a supplemental program (the "UAW Supplemental Attrition Agreement") that expanded the UAW Special Attrition Program to include a pre-retirement program for employees with 26 years of credited service and provided buyouts for UAW-represented hourly employees (collectively, the UAW Special Attrition Program and UAW Supplemental Attrition Agreement are referred to herein as the "UAW Attrition Programs"). The buyout payments, depending on the amount of seniority or credited service, ranged from \$40,000 to \$140,000. GM has agreed to reimburse Delphi for one-half of these buyout payments and in exchange will receive an allowed prepetition general unsecured claim.

22. On May 8, 2006 (Docket No. 3648) and May 12, 2006 (Docket No. 3754), this Court entered an order and an amended order, respectively, approving the UAW Special Attrition Program. The UAW Supplemental Attrition Agreement and the IUE-CWA Special

Attrition Program were approved by this Court on June 29, 2006, and on July 7, 2006, this Court entered the order approving the motion (Docket No. 4461).¹⁵

23. Pursuant to the UAW Attrition Programs, approximately 12,400 of Delphi's UAW-represented employees opted to retire by January 1, 2007 and approximately 1,400 additional UAW-represented Delphi employees elected a buyout. Furthermore, approximately 6,200 IUE-CWA-represented Delphi employees, representing approximately 82% of the eligible IUE-CWA-represented workforce, elected to participate in the IUE-CWA Special Attrition Program. The Special Attrition Programs provided nearly two-thirds of Delphi's existing UAW and IUE-CWA-represented long-term hourly employees (as of September 26, 2006 and August 18, 2006, respectively) with "soft landings" through a combination of incentivized retirement programs¹⁶ and, as to UAW-represented employees, GM flowback rights.

E. Settlement Of The 1113/1114 Motion As It Pertains To The UAW Through The UAW Settlement Agreement

24. On June 22, 2007, the Debtors reached a tentative agreement with GM and the UAW as set forth in the UAW Settlement Agreement that includes significant and necessary modifications to the UAW CBAs. Delphi's UAW-represented employees ratified the UAW Settlement Agreement on June 28, 2007. As set forth above, Delphi, GM, and the UAW will implement certain terms of the UAW Settlement Agreement as of the Effective Date (defined in the UAW Settlement Agreement as the later of entry of an order by the Court approving the

¹⁵ On June 16, 2006, Delphi, GM, and the IUE-CWA reached agreement on the terms of a special attrition program (the "IUE-CWA Special Attrition Program," and together with the UAW Attrition Programs, the "Special Attrition Programs") which mirrored in all material respects the UAW Attrition Programs.

¹⁶ Delphi is negotiating the terms of similar programs with the USW and Delphi's other Unions which, if agreed upon as part of a comprehensive settlement, would provide those hourly employees with retirement programs and incentives.

UAW Settlement Agreement that is satisfactory to the parties (the "Approval Order"), or the first Monday following receipt by Delphi of written notice of ratification from the UAW).¹⁷

25. The UAW Settlement Agreement settles the 1113/1114 Motion as it pertains to the UAW, enabling the Debtors to seek authority by this Motion to withdraw, without prejudice, the 1113/1114 Motion with respect to the UAW.

Relief Requested

26. By this Motion, the Debtors seek entry of an order, under 11 U.S.C. §§ 363, 1113, and 1114 of the Bankruptcy Code and Fed. R. Bankr. P. 6004 and 9019, approving (i) the UAW Settlement Agreement, (ii) withdrawal without prejudice of the 1113/1114 Motion solely as it pertains to the UAW and approving the parties' settlement of the 1113/1114 Motion solely as it pertains to the UAW, and (iii) modification of retiree welfare benefits for certain UAW-represented retirees of the Debtors.

Basis For Relief

27. The UAW Settlement Agreement requires a court order approving the UAW Settlement Agreement, which encompasses a settlement of the 1113/1114 Motion as it pertains to the UAW. See UAW Settlement Agreement Section K. Thus, as noted above and consistent with the terms and spirit of the UAW Settlement Agreement, this Motion is brought before this Court under sections 363, 1113, and 1114 of the Bankruptcy Code and Bankruptcy Rules 6004 and 9019.¹⁸

¹⁷ As noted above, the effective date of certain provisions of the UAW Settlement Agreement is conditioned upon confirmation of the Debtors' reorganization plan and resolution of certain financial, commercial, and other issues between Delphi and GM.

¹⁸ The Debtors do not concede through this Motion that the modifications to the UAW CBAs contained in the UAW Settlement Agreement require court approval either because such modifications are outside the ordinary course of business under section 363 or pursuant to sections 1113 or 1114 of the Bankruptcy Code. Out of an abundance of caution in connection with GM's unique role here and consistent with the terms of the UAW Settlement Agreement, the Debtors are seeking this Court's approval of the UAW Settlement Agreement. See

F. Approval Of The UAW Settlement Agreement Is Warranted Under Bankruptcy Code Section 363

28. Bankruptcy Code section 363(b)(1) permits a debtor-in-possession to use property of the estate "other than in the ordinary course of business" after notice and a hearing. 11 U.S.C. § 363(b)(1). Whether modifications to a collective bargaining agreement are ordinary course transactions under section 363 of the Bankruptcy Code or whether such modifications are outside the ordinary course requiring approval under the Bankruptcy Code has generally been determined on a case-by-case basis. See In re North American Royalties, Inc., 267 B.R. 587, 593 (Bankr. E.D. Tenn. 2002) (collecting and comparing relevant authority).

29. Use of estate property outside the ordinary course of business may be authorized if the debtor demonstrates a sound business justification for it. See Comm. Of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.), 722 F.2d 1063, 1071 (2d Cir. 1983) (business judgment rule requires finding that good business reason exists to grant debtor's application under section 363(b)); see also In re Delaware & Hudson Ry. Co., 124 B.R. 169, 178-179 (D. Del. 1991).

30. The Second Circuit has held that, although the bankruptcy court sits as an "overseer of the wisdom with which the bankruptcy estate's property is being managed by the . . . debtor-in-possession," it must nevertheless resist becoming an "arbiter of disputes between creditors and the estate." Orion Pictures Corp. v. Showtime Network, Inc. (In re Orion Pictures Corp.), 4 F.3d 1095, 1098-99 (2d Cir. 1993). The Court's consideration of a debtor's section 363(b) motion is a "summary proceeding," intended merely as a means "to efficiently review the . . . debtor's decision[s] . . . in the course of the swift administration of the bankruptcy estate. It

is not the time or place for prolonged discovery or a lengthy trial with disputed issues." Id. at 1098-99.

31. Once the debtor articulates a valid business justification, a presumption arises that "in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action was in the best interests of the company." Official Comm. of Subordinated Bondholders v. Integrated Resources, Inc. (In re Integrated Resources, Inc.), 147 B.R. 650, 656 (S.D.N.Y. 1992). Thereafter, "[p]arties opposing the proposed exercise of a debtor's business judgment have the burden of rebutting the presumption of validity." Id. To satisfy its burden, it is not enough for an objector simply to raise and argue an objection. Rather, an objector "is required to produce some evidence respecting its objections." Lionel Corp., 722 F.2d at 1071.

32. As a rule, the debtor's business judgment "should be approved by the court unless it is shown to be 'so manifestly unreasonable that it could not be based upon sound business judgment, but only on bad faith, or whim or caprice.'" In re Aerovox, Inc., 269 B.R. 74, 81 (Bankr. D. Del. 2001) (quoting In re Interco, Inc., 128 B.R. 229, 234 (Bankr. E.D. Mo. 1991)).

33. The Debtors have demonstrably sound business reasons for entering into the UAW Settlement Agreement at this time. The UAW Settlement Agreement, which is the result of careful deliberations and extensive negotiations, includes modifications to the UAW CBAs that equitably address many of the Debtors' substantial financial, transformational, and labor relations roadblocks in a manner that will best serve the economic interests of the Debtors' estates and their stakeholders.

34. First, once implemented, the modifications to the UAW CBAs contemplated by the UAW Settlement Agreement will generate a level of labor cost savings that will significantly improve the Debtors' ability to emerge from chapter 11 successfully.

35. Second, the UAW Settlement Agreement provides the Debtors with the flexibility necessary to transform their operations to compete as a supplier to nearly every major global automotive original equipment manufacturer while furthering the legitimate interests of Delphi's employees, retirees, and other stakeholders. As evidenced by the summary provided above, the UAW Settlement Agreement achieves significant cost savings through wage reductions, work rule and operational changes, and buy-out and buy-downs that will enable Delphi to better meet its competitive challenges. Accordingly, there is a sound business purpose for consummating the transactions contemplated in the UAW Settlement Agreement promptly.

36. In the exercise of their business judgment, the Debtors believe that the terms of the UAW Settlement Agreement are reasonable based upon the significant benefits that they will receive, as summarized above, as well as the potential harm to the estates if the relief requested herein is not granted.¹⁹

G. Approval Of The UAW Settlement Agreement Is Warranted Under Bankruptcy Rule 9019

37. Bankruptcy Rule 9019 provides, in relevant part, that "[o]n motion by the trustee and after notice and a hearing, the court may approve a compromise or settlement."

Bankruptcy Rule 9019(a). Settlements and compromises are "a normal part of the process of

¹⁹ For certain of the agreements in the UAW Settlement Agreement to be implemented, the Debtors' plan of reorganization must contain provisions consistent with the UAW Settlement Agreement and the confirmation order for such plan will provide for the assumption of the UAW Settlement Agreement and the agreements referenced in Attachment E thereto under section 365 of the Bankruptcy Code. Indeed, by its terms, the UAW Settlement Agreement itself does not constitute an assumption of the UAW CBAs. See UAW Settlement Agreement Section K. It is relevant to note that this undertaking by the Debtors constitutes a condition to the effectiveness of certain provisions rather than a covenant by the Debtors that might impermissibly restrict the plan of reorganization that could be prosecuted by them.

reorganization." Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson, 390 U.S. 414, 424 (1968) (quoting Case v. L.A. Lumber Prods. Co., 308 U.S. 106, 130 (1939)); In re Adelphia Communications Corp., 327 B.R. 143, 159 (Bankr. S.D.N.Y. 2005) (decision to accept or reject settlement lies within sound discretion of bankruptcy court), adhered to on reconsideration, 327 B.R. 175 (Bankr. S.D.N.Y. 2005).

38. In addition, Rule 9019 applies to settlements such as the UAW Settlement Agreement that modify (i) the terms of a collective bargaining agreement pursuant to 11 U.S.C. § 1113, and (ii) retiree benefits pursuant to 11 U.S.C. § 1114. See Nellis v. Shugrue, 165 B.R. 115, 116-17, 121(S.D.N.Y. 1994) (applying Bankruptcy Rule 9019 to the approval of a settlement under 11 U.S.C. § 1113); In re Tower Automotives, 241 F.R.D. 162, 170 (S.D.N.Y. 2006) (applying Bankruptcy Rule 9019 to the approval of settlements and compromises under 11 U.S.C. § 1114); see also In re GF Corp., 120 B.R. 421, 425 (Bankr. D. Ohio 1990) (applying Bankruptcy Rule 9019 to settlement pursuant to 11 U.S.C. §§ 1113, 1114).²⁰

39. Approval of a compromise under Bankruptcy Rule 9019(a) is appropriate when the compromise is fair and equitable and is in the best interests of the debtor's estate. See, e.g., TMT Trailer Ferry, 390 U.S. at 424; Adelphia, 327 B.R. at 159 ("The settlement need not be the best that the debtor could have obtained. Rather, the settlement must fall 'within the reasonable range of litigation possibilities.'") (citations and internal quotations omitted); Nellis, 165 B.R. at 121 ("The obligation of the bankruptcy court is to determine whether a settlement is in the best interest of an estate before approving it.") In general, compromises in the bankruptcy

²⁰ No retiree committee was formed under section 1114 of the Bankruptcy Code in these cases because under the Order (I) Appointing Unions As Authorized Representatives For Union Represented Retirees Under 11 U.S.C. §§ 1114(c) And 1114(d) Or, In The Alternative, (II) Establishing Procedures For Solicitation, Nomination, And Appointment Of Committee Of Retired Employees granted by this Court on October 13, 2005 (Docket No. 231), the UAW (and the other Unions) elected to serve and have been acting as the authorized representative for purposes of section 1114 of the Bankruptcy Code throughout these chapter 11 cases of the Delphi retirees who were previously represented by the Unions as active employees.

context should be approved unless they "fall below the lowest point in the range of reasonableness." Cosoff v. Rodman (In re W.T. Grant Co.), 699 F.2d 599, 608 (2d Cir. 1983) (citation omitted).

40. The Supreme Court in TMT Trailer Ferry set forth the following factors that courts should consider in determining whether a proposed settlement or compromise is in the best interests of a debtor's estate: (a) the probability of the debtor's success in the litigation, (b) the difficulties associated with collection, (c) the complexity of the litigation, and the attendant expense, inconvenience, and delay, and (d) the paramount interests of the estate's creditors. TMT Trailer Ferry, 390 U.S. at 424-25; see also Nellis, 165 B.R. at 122.

41. Courts in this district have further elaborated on the following relevant factors: (a) the balance between the likelihood of plaintiff's or defendants' success should the case go to trial vis-à-vis the concrete present and future benefits held forth by the settlement without the expense and delay of a trial and subsequent appellate procedures, (b) the prospect of complex and protracted litigation if the settlement is not approved, (c) the competency and experience of counsel who support the settlement, (d) the relative benefits to be received by individuals or groups within the class, and (e) the extent to which the settlement is truly the product of arms-length bargaining, and not of fraud or collusion. Adelphia, 327 B.R. at 159-60; accord In re Texaco Inc., 84 B.R. 893, 902 (Bankr. S.D.N.Y. 1988).

42. The bankruptcy court need not determine that all of the foregoing criteria favor approval of a compromise, and the proposed compromise need not be the best agreement that the debtor could have achieved under the circumstances. See Adelphia, 327 B.R. at 159-60; Nellis, 165 B.R. at 123. Instead, the court's proper role is to familiarize itself with all the facts necessary for an intelligent and objective opinion, and determine whether the settlement is fair and equitable. In re Best Products Co., Inc., 168 B.R. 35, 49-51 (Bankr. S.D.N.Y. 1994). To

that end, courts should not substitute their own judgment for that of the debtor, but rather should "canvass the issues" to affirm that the proposed settlement falls above "the lowest point in the range of reasonableness." Adelphia, 327 B.R. at 159 (quoting W.T. Grant Co., 699 F.2d at 608); accord Airline Pilots Ass'n, Int'l v. Am. Nat'l Bank & Trust Co. (In re Ionosphere Clubs, Inc.), 156 B.R. 414, 426 (S.D.N.Y. 1993), aff'd sub nom. Sobchack v. Am. Nat'l Bank & Trust Co., 17 F.3d 600 (2d Cir. 1994); In re Best Products Co., Inc., 168 B.R. at 49-51.

43. Given that the UAW Settlement Agreement is a resolution or settlement of the issues raised in the 1113/1114 Motion as it pertains to the UAW, it should be approved under Bankruptcy Rule 9019(a) because its terms are fair and equitable, fall well within the range of reasonableness, and are in the best interests of the Debtors, their estates, their creditors, and their stakeholders. Most significantly, the UAW Settlement Agreement clarifies and provides certainty regarding the manner in which Delphi's labor, pension, and OPEB issues with the UAW will be resolved.

44. Moreover, the Court is not required to find that the terms of the settlement are the most favorable that the Debtors could have obtained in order to approve the UAW Settlement Agreement. In re W.T. Grant Co., 699 F.2d at 608 (noting that court is only required to "see whether the settlement falls below the lowest point in the range of reasonableness") (citation omitted); Nellis, 165 B.R. at 123; In re Best Products Co., Inc., 168 B.R. at 49-51.

45. And, as recognized by this Court on various occasions, a consensual resolution to the Debtors' need to reduce labor costs is in the best interests of the Debtors' estates. See, e.g., May 12, 2006 Hearing Transcript at pp. 201-02 (noting that the representatives of the Delphi and the Unions, not the Court, are the most important in an 1113/1114 proceeding, and urging parties to reach good faith agreement). Consensual agreements are recognized generally as a normal part of the reorganization process and as beneficial to the estate in part because of

the inevitable reduction in administrative costs and other burdens associated with protracted litigation. This is especially the case here, given the thousands of employees and retirees who would be affected by the non-consensual modifications proposed in the 1113/1114 Motion, should that motion ultimately be granted by the Court. See, e.g., TMT Trailer Ferry, Inc., 390 U.S. at 424 ("[c]ompromises are a normal part of the process of reorganization."); Nellis, 165 B.R. at 123 (stating "the general rule that settlements are favored and, in fact, encouraged by the bankruptcy approval process").

Notice Of Motion

46. Notice of this Motion has been provided in accordance with the Amended Eighth Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(m), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures, entered by this Court on October 26, 2006 (Docket No. 5418), and the Supplemental Order Under 11 U.S.C. The Debtors have also provided the informational notice of this Motion, a copy of which is attached hereto as Exhibit 1, as a courtesy to all of the UAW-represented employees and UAW-represented retirees affected by this Motion. In light of the relief requested, the Debtors submit that no other or further notice is necessary.

Memorandum Of Law

47. Because the legal points and authorities upon which this Motion relies are incorporated herein, the Debtors respectfully request that the requirement of service and filing of a separate memorandum of law under Local Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York be deemed satisfied.

WHEREFORE the Debtors respectfully request that the Court enter an order pursuant to 11 U.S.C. §§ 363, 1113, and 1114 of the Bankruptcy Code and Fed. R. Bankr. P. 6004 and 9019 (i) approving the UAW Settlement Agreement, (ii) authorizing the withdrawal without prejudice of the Debtors' 1113/1114 Motion solely as it pertains to the UAW and approving the parties' settlement of the 1113/1114 Motion solely as it pertains to the UAW, (iii) authorizing the Debtors' modification of retiree welfare benefits for certain UAW-represented retirees of the Debtors, and (iv) granting the Debtors such other and further relief as is just.

On June 29, 2007, Delphi Corporation and certain of its affiliated debtors and debtors-in-possession ("Delphi"), filed the **Motion For Order Under 11 U.S.C. §§ 363, 1113 and 1114 and Fed. R. Bankr. P. 6004 and 9019 Approving Memorandum of Understanding Among UAW, Delphi, and General Motors Corporation, Including Modification of UAW Collective Bargaining Agreements and Retiree Welfare Benefits For Certain UAW-Represented Retirees** (the "Approval Motion"), which seeks bankruptcy court approval (subject to ratification by the UAW) of a memorandum of understanding dated June 22, 2007 (the "Agreement" or "Memorandum of Understanding") among Delphi, General Motors, and the UAW regarding Delphi's restructuring.

On July 19, 2007 at 10:00 a.m., the United States Bankruptcy Court (the "Court") for the Southern District of New York will conduct a hearing on approval of the Agreement.

If approved by the Court (and ratified by UAW), the Agreement will go into effect. The Agreement provides, among other terms, that:

A. Effective upon the later of entry of an order approving the Agreement or the first Monday following receipt of written notice of ratification from the UAW:

- The terms of the UAW collective bargaining agreements ("CBAs") will be extended until September 14, 2011;
- A site plan will be implemented with respect to each of 21 UAW-Delphi plants which includes specific revenue, production, and job commitments

from Delphi and/or GM and pursuant to which Delphi will retain ownership and operations in four facilities, seven facilities will be sold or transferred to a third party so that Delphi will have no further operational or employment responsibilities after certain specified sunset dates, and ten facilities will be closed;

- A workforce transformation program will be implemented for traditional UAW-represented employees that provides eligible employees with transformation plan options including (1) attrition options similar to the previously-approved UAW attrition programs, (2) flowback rights to eligible Delphi employees as of the date of the filing of Delphi's bankruptcy petition who do not elect the attrition options, including relocation allowances of up to \$67,000 in certain circumstances when plants cease production, (3) provision of lump sum "buy-down" payments totaling \$105,000 for traditional production employees who do not elect the attrition option or flowback and continue to work for Delphi under the terms of the 2004 UAW-Delphi Supplemental Agreement applicable to employees hired after 2004, transferring those employees to Supplemental Employee Status¹ as of October 1, 2007, (4) conversion of temporary employees in UAW-Delphi plants to permanent employee status, and (5) severance payments up to \$40,000 to eligible employees who are permanently laid off prior to September 14, 2011;
- Certain terms of the 2004 UAW-Delphi Supplemental Agreement with respect to wages, individual retirement and savings plans, and post-retirement health care accounts will be modified;
- Certain terms of the UAW CBAs will be modified with respect to provisions covering hiring requirements, existing CHR/Legal Services, holiday schedule, Appendix L, GIS, AOL, and other matters described in Attachment E to the Memorandum of Understanding;
- Local negotiations subject to mutual agreement regarding work rules and other local agreement issues will be conducted on an expedited basis;
- Delphi's commitment in the 2004 UAW-Delphi Supplemental Agreement to the principle of "equivalence of sacrifice" when establishing compensation and benefit levels for salaried employees and management is reaffirmed;
- There will be provisions for resolution of claims, including waivers and releases to be effective as part of Delphi's plan of reorganization; and
- The UAW will receive an allowed prepetition claim, to be paid pursuant to the plan of reorganization in the amount of \$140 million on account of the CHR and Legal Services claims as of April 1, 2007 (to be adjusted for accruals through October 1, 2007 and adjusted for expenditures by Delphi

until the effective date of a plan of reorganization) of which \$30 million will be paid to the UAW-GM Center for Human Resources and the balance will be paid directly to the DC VEBA established pursuant to a settlement agreement approved by the court in the case of International Union, UAW, et al. v. General Motors Corp., Civil Action No. 05-73991.

B. Effective upon the execution by Delphi and GM of a comprehensive settlement agreement resolving certain financial, commercial, and other matters between Delphi and GM and substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases and confirmed by the Court which incorporates, approves, and is consistent with all of the terms of the Agreement and Delphi-GM settlement:

- Delphi's obligation to provide certain retiree welfare benefits will be eliminated and GM will be obligated to provide certain retiree welfare benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- A transfer of certain pension assets and liabilities from Delphi's pension plans to GM's pension plans will be effectuated pursuant to Internal Revenue Code Section 414(l) in exchange for certain consideration to be paid by Delphi to GM;
- Delphi's existing pension plan will be frozen in certain respects effective upon emergence from chapter 11 and GM is obligated to pay certain benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- The amount of \$450 million will be funded by GM, which the UAW has directed to be paid directly to the DC VEBA established pursuant to a settlement agreement approved by the court in the case of International Union, UAW, et al. v. General Motors Corp., Civil Action No. 05-73991.

C. In addition, under Delphi's plan of reorganization:

- The Memorandum of Understanding (including the UAW CBAs) will be assumed pursuant to 11 U.S.C. § 365;
- Delphi and GM will receive releases from the UAW, all employees and former employees of Delphi represented or formerly represented by the UAW, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly or indirectly from or in any way related to any obligations under the collective bargaining agreements or the Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the Memorandum of Understanding).

This list is only a summary of some of the terms of the Agreement and is qualified entirely by and is subject to the actual terms and conditions of the Agreement. A complete copy of Delphi's court papers, including the Memorandum of Understanding, can be obtained at

www.delphidocket.com or by calling 1-888-249-2691. Delphi's plan of reorganization will be considered by the Court at a later time and you will receive notice about that proceeding.

9. As a condition precedent to the effectiveness of certain obligations of the parties pursuant to Section K.2 of the UAW Settlement Agreement and as provided in Section K.3 of the UAW Settlement Agreement, any Delphi Reorganization Plan that is consistent with the UAW Settlement Agreement and any confirmation order entered into with respect to such plan shall include the following provisions:

- (a) On the effective date of the Delphi Reorganization Plan, the UAW, all employees and former employees of Delphi represented or formerly represented by the UAW, and all persons or entities with claims derived from or related to any relationship with such employees or former employees of Delphi, shall waive and release and be deemed to have waived and released any and all claims of any nature, whether liquidated or unliquidated, contingent or non-contingent, asserted or unasserted, existing and/or arising in the future against Delphi, its subsidiaries, or affiliates, the Delphi HRP, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, GM, its subsidiaries or affiliates, the GM HRP, the GM Health Care Program for Hourly Employees and the GM Life and Disability Benefits Program for Hourly Employees, and the officers, directors, employees, fiduciaries, and agents of each, arising directly or indirectly from or in any way related to any obligations under the UAW CBAs and the collective bargaining agreement between GM and the UAW related to such employees and the UAW-GM-Delphi Memorandum of Understanding Benefit Plan Treatment related to such employees (provided, however, that claims for benefits provided for or explicitly not waived under the provisions of the UAW Settlement Agreement are not waived).
- (b) A plan exculpation and release provision (which provision shall be at least as comprehensive as the plan exculpation and release provision under the Delphi Reorganization Plan) for the UAW released parties (which shall include the UAW and each of their current or former members, officers, committee members, employees, advisors, attorneys, accountants, investment bankers, consultants, agents, and other representatives) with respect to any liability such person or entity may have in connection with or related to the Delphi bankruptcy cases, the formulation, preparation, negotiation, dissemination, implementation,

administration, confirmation or consummation of any of the Delphi Reorganization Plan, the disclosure statement concerning the plan, the UAW Settlement Agreement, or the Agreements on Attachment E thereto, or any contract, employee benefit plan, instrument, release, or other agreement or document created, modified, amended, or entered into in connection with either the Delphi Reorganization Plan or any agreement between the UAW or Delphi, or any other act taken or omitted to be taken consistent with the UAW Settlement Agreement in connection with the Delphi bankruptcy.

- (c) The UAW Settlement Agreement and the agreements referenced in Attachment E thereof and listed on Exhibit 2 attached hereto shall be assumed under 11 U.S.C. § 365.

10. Nothing contained in the UAW Settlement Agreement shall constitute an assumption of any agreement described therein, including, without limitation, any UAW CBA (except as provided for in Section K.3 of the UAW Settlement Agreement) or any commercial agreement between GM and Delphi, nor shall anything therein be deemed to create an administrative or priority claim with respect to GM or convert a prepetition claim into a postpetition claim or an administrative expense with respect to any party. The UAW Settlement Agreement is without prejudice to any interested party (including the parties to the UAW Settlement Agreement and the Debtors' statutory committees) in all other aspects of Delphi's chapter 11 cases and each party to the UAW Settlement Agreement shall reserve all rights not expressly waived therein.

11. In furtherance of the UAW Settlement Agreement, as soon as reasonably practicable after the Effective Date, Delphi shall pay approximately (but in no event more than) \$993,000 in cash severance and vacation payments to former UAW-represented hourly employees of Manufacturers Products Co. ("MPC"), a former distressed supplier which provided parts to Delphi pursuant to an accommodation agreement. These MPC-related payments are to be in full satisfaction of all claims against the Debtors arising from or related to MPC, and the

Debtors and their estates shall be released from any liability from MPC and its former UAW-represented employees with respect thereto. In order to receive payment from Delphi pursuant to this paragraph, any payment recipient shall execute a complete release and discharge in favor of the Debtors, accordingly all claims filed in the Debtors' chapter 11 cases arising from or relating to the subject matter of severance and/or vacation claims by MPC employees or former employees are hereby expunged and released, including claim number 13270.

12. This Court shall retain jurisdiction to hear and determine all matters arising from the implementation and performance of this order and the UAW Settlement Agreement, and over each of the Signatories in connection therewith through the effective date of a plan of reorganization proposed by the Debtors and confirmed by this Court (and thereafter to the extent provided for in such reorganization plan); provided, however, that the Court's jurisdiction shall not extend to any bilateral agreements of the UAW and GM.

13. Notwithstanding Rule 6004(g) of the Federal Rules of Bankruptcy Procedure or any other Bankruptcy Rule, (a) this order shall take effect immediately upon its entry, (b) upon entry of this order, the Debtors are authorized to take any and all necessary actions to implement the terms of the UAW Settlement Agreement, including executing any amendments to existing collective bargaining agreements consistent in all material respects with the UAW Settlement Agreement, and (c) the UAW Settlement Agreement shall become effective upon entry of this order and, to the extent required, satisfaction of the conditions set forth in the UAW Settlement Agreement.

14. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the Motion.

UNITED STATES BANKRUPTCY JUDGE

Exhibit 1

UAW Settlement Agreement

**UAW-DELPHI-GM
MEMORANDUM OF UNDERSTANDING
DELPHI RESTRUCTURING**

INTRODUCTION

The International Union, UAW, Delphi Corporation and General Motors Corporation ("the Parties") have discussed the challenges impacting Delphi and its UAW-represented operations. As GM's largest supplier and the employer of thousands of UAW-represented employees, indirectly supporting tens of thousands of dependents, retirees and surviving spouses, the Parties have a critical interest in Delphi's successful emergence from bankruptcy with certain UAW-represented operations. The Parties acknowledge that restructuring actions are necessary and commit to take specific actions to protect the needs of the Parties and their constituencies, continuing progress already made toward transforming Delphi's labor cost structure and ongoing business operations.

The UAW has already agreed to an attrition program pursuant to which thousands of employees at traditional Big Three wages and benefits took buy outs, flowbacks to GM, or retired, and the UAW waived Delphi obligations to hire thousands of new employees as a result of the departures caused by the attrition program. The Parties have also agreed to the "Term Sheet – Delphi Pension Freeze and Cessation of OPEB, and GM Consensual Triggering of Benefit Guarantee" (attached as Attachment B, hereinafter the "Term Sheet"), facilitating the freeze of Delphi's pension plan and the assumption of billions of dollars of OPEB liabilities by GM, thereby dramatically reducing Delphi's ongoing benefit costs and liabilities.

In addition to the above, to enable continued transformation to more competitive wage and benefit levels, to address capacity, divestiture, work rules and staffing level issues, and to better position Delphi to retain existing business and attract new business, the Parties agree as follows on a two-party or three-party basis, as applicable, (the "Agreement") subject to ratification by the membership.

A. DURATION

1. This Agreement will continue until 11:59 p.m. on September 14, 2011.
2. Delphi and the UAW agree that the UAW-Delphi Supplemental Agreement dated April 29, 2004 (the "Supplemental Agreement") shall continue in full force and effect, as modified herein, for its stated duration, i.e. until 11:59 p.m. on September 14, 2011. The 2003-2007

UAW-Delphi National Agreement, and including without limitation the supplemental agreements attached as exhibits thereto (the "National Agreement"), are hereby extended, as modified herein, until 11:59 p.m. on September 14, 2011.

3. Delphi and the UAW agree that the current Local Agreements are extended until 11:59 p.m. on September 14, 2011, except as may be mutually modified by the local parties pursuant to Section E below, and as modified by this Agreement as modified by this Agreement and summarized in the matrix of modified and eliminated provisions in Attachment E hereto.
4. The agreements comprising the UAW-Delphi collective bargaining agreements, national and local, following the date of this Agreement are set forth in Attachment E hereto.

B. SITE PLAN

The UAW and Delphi agree that Article 2 of the Supplemental Agreement, Document 13 and Document 91 of the National Agreement shall remain in effect through September 14, 2011, and are waived to the extent necessary to implement the site plans outlined below and as described in detail in Attachment A ("Site Plans"). GM and Delphi agree to implement the site plans as outlined below and described in detail in Attachment A.

1. Sites to remain owned and operated by Delphi ("Keep Sites"):

Kokomo
Lockport
Rochester
Grand Rapids

2. Sites to be held for divestiture as ongoing businesses by Delphi ("Sell Sites"):

Saginaw Steering - Saginaw
Sandusky
Adrian
Cottondale

The Parties agree that if divestiture of the Saginaw Steering – Saginaw, Sandusky and Adrian sites are not concluded (by December 31, 2008, for Sandusky and Adrian, and by December 31, 2010 for Saginaw), GM will cause the operations and all active and inactive bargaining unit employees to be transferred to employment with a third

party so that Delphi will have no further operational or employment responsibility for the site(s). If the respective transfers will not be completed by the dates identified above, the Parties agree that prior to the required date, GM and the UAW will implement a solution such that Delphi will have no further responsibility for the operation of future production at the Saginaw, Sandusky and Adrian sites as identified above, nor will the bargaining unit employees remain as Delphi employees, but the terms and conditions of the current collective bargaining agreement will continue to apply to such employees.

3. Footprint Sites

Flint East – Business operated by GM or provided by GM to a third party designated by GM will operate at a geographically proximate site, providing a total of approximately 1,000 jobs. No later than December 31, 2008, the Parties agree that GM will cause the active and inactive bargaining unit employees at Flint – East to transfer to employment with a third party. Delphi and the UAW will cooperate with the transfer.

If the transfers of the active and inactive bargaining unit employees will not be completed by this date, the Parties agree that prior to December 31, 2008 GM and the UAW will implement a solution such that Delphi will have no further responsibility for the operation of future production at the Flint East site, nor will the bargaining unit employees remain as Delphi employees. If it remains necessary after December 31, 2008 for Delphi to complete the currently existing cluster programs through their OE expiration dates, Delphi would manage such programs using contracted need-to-run UAW labor from the third party or from other resources as specified by GM. From time to time, commencing on October 1, 2007, as Delphi's need-to-run ("NTR") headcount declines, GM will cause the active and inactive bargaining unit employees to transfer to employment with a third party. Delphi and the UAW will also cooperate with these transfers. If new work is not available for these employees, then GM and the UAW will implement a solution such that these bargaining unit employees will no longer remain as Delphi employees.

Needmore Rd. – Business operated by GM or provided by GM to a third party will operate at a geographically proximate site designated by GM, providing a total of approximately 750 jobs. On the earlier of thirty (30) days following the end of OE production of current programs at Needmore Road (which is currently scheduled for June 30, 2008), or December 31, 2008, the Parties agree that GM will cause the active and inactive bargaining unit employees at Needmore Road to transfer to employment with a third party. Delphi and the UAW will cooperate with the transfer. If the transfer of all active and inactive bargaining unit employees will not be completed as described above, the Parties

agree that prior to the required date GM and the UAW will implement a solution such that Delphi will have no further responsibility for the operation of future production at the Needmore Rd. site, nor will the bargaining unit employees remain as Delphi employees.

Saginaw Mfg. – Business provided by GM to a third party will operate at the current site or another geographically proximate site designated by GM, providing approximately 500 jobs. No later than December 31, 2008, the Parties agree that GM will cause the active and inactive bargaining unit employees at Saginaw Manufacturing to transfer to employment with a third party. Delphi and the UAW will cooperate with the transfer. If the transfer of all active and inactive bargaining unit employees to a third party is not completed by the date identified above, GM and the UAW will, prior to the required date, implement a solution such that Delphi will have no further responsibility for the operation of future production at the Saginaw Mfg. site, nor will the bargaining unit employees remain as Delphi employees.

4. Sites to be wound down or consolidated by Delphi in accordance with Delphi's restructuring plan and timing ("Wind Down Sites"):

Columbus
Milwaukee PWT (E&C)
Milwaukee E&S
Coopersville
Anderson
Wichita Falls
Fitzgerald
Olathe
Laurel
Athens

C. WORKFORCE TRANSITION

1. Current Employee Flowback

Employees on roll prior to October 8, 2005 ("Flowback-Eligible Employees") without a valid flowback application on file will be afforded a final opportunity to make application for flowback by October 1, 2007.

Eligible Delphi employees hired prior to October 18, 1999 will receive closed plant treatment for purposes of job offers at GM plants. Employees from those plants who apply will have their seniority co-mingled with the seniority of GM employees who are eligible for closed plant treatment for purposes of job offers to GM openings in accordance with Appendix A.4 and 5 of the 2003 UAW-GM National

Agreement. A \$67,000 relocation allowance will be paid to otherwise eligible employees from AHG – Anderson, PT – Coopersville, AHG – Wichita Falls, AHG – Fitzgerald, AHG – Columbus (except MFD – Mansfield), PT – Milwaukee, E&S – Milwaukee, and Steering – Athens (except Spring Hill assembly plant) who flow at the time the plant ceases operations to a General Motors Extended Area Hire plant. All other Flowback-eligible employees will be eligible for a relocation allowance in accordance with Paragraph (96a)(2)(a) of the 2003 UAW-Delphi National Agreement.

AHG-Columbus will be in the MFD-Mansfield plant Area Hire area and employees will be eligible for relocation allowance in accordance with Paragraph (96a)(2)(a) of the UAW-Delphi National Agreement.

Delphi – Athens will be placed in the General Motors Spring Hill area hire for purposes of placement. Flowback opportunities to Spring Hill will be made available to 300 Traditional Delphi employees (defined in Section C.5.a below) or the number of Traditional employees remaining after the Delphi Special Attrition Program whichever is less. No relocation will be paid for the flowback. The flowback opportunities will begin at the earlier of:

- a) March 1, 2009
- b) When layoffs begin at Athens
- c) Spring Hill needs people

Upon transfer to Spring Hill from Athens, if no jobs are available, the employee will be placed on layoff and then will be under the SUB and Job Security terms of the GM-UAW National Agreement. No employee being transferred can take a job in the plant unless a job is available. If there are surplus people at Spring Hill, the parties agree to look for ways to reduce the surplus including, but not limited to:

- a) A Special Attrition Program at Spring Hill
- b) Placement at other GM plants such as Bowling Green

As of the Effective Date of this Agreement (defined in Section K.1 below), Delphi employees who are otherwise eligible and who have an application on file will be eligible for flowback opportunities for the same length of time as the length of their seniority (time-for-time).

GM employees are no longer eligible for flowback to Delphi.

2. UAW-Delphi Employees Hired After October 18, 1999 and Prior to October 8, 2005 – Agreement between the Parties to offer job

opportunities at GM

- a. Employees will be offered the job opportunities at GM after the Appendix A Placement Process and the UAW-GM-Delphi Flowback Agreement have been exhausted.
- b. Employees will be eligible for relocation allowance in accordance with Appendix A VI and Paragraphs (96a)(1), (2), (3), and (4) of the 2003 UAW-Delphi National Agreement.
- c. Employees will acquire GM seniority on the date of hire at the new location and will receive a new plant seniority date that is the effective date of hire. The new plant seniority date will also be the date used in the administration of Appendix A, Memorandum of Understanding – Employee Placement in the UAW-GM National Agreement.
- d. Employees hired by GM will receive the same benefits treatment as other employees who transfer to GM under the UAW-GM-Delphi Flowback Agreement in accordance with the UAW-GM-Delphi Memorandum of Understanding, Benefit Plan Treatment dated September 30, 1999 as amended.
- e. Initial vacation entitlement at GM will be the same as that at Delphi as of the date immediately prior to the transfer.
- f. Employees will receive a wage rate in the same progression as they were in at Delphi and in accordance with Paragraph (98) of the UAW-GM National Agreement.
- g. These employees will be SEL protected at GM unless noted otherwise.

3. Delphi to Delphi Transfers

Delphi employees (excluding temporary employees) covered by the Supplemental Agreement (“Supplemental Employees”) with seniority as of the Effective Date of this Agreement, will have rights to other Delphi plants outside their own Area Hire area prior to permanent new hires and will be eligible for relocation allowance in accordance with Paragraph (96a)(2)(a).

4. Temporary Employees

It is mutually agreed between the parties that employees hired as temporary employees in UAW-Delphi plants will be converted to

permanent employees on the Effective Date of this Agreement. Such employees will receive credit for time worked as a temporary employee toward establishing a seniority date pursuant to Paragraph (57) of the UAW-Delphi National Agreement. Employees who worked for Delphi as of January 1, 1999 or later, or employees who accepted an option under the GM or Delphi Special Attrition Programs, are not eligible to be converted to permanent status. Employees hired July 2, 2007 and later will be hired as temporary employees under the provisions of Appendix A. X – Memorandum of Understanding Employee Placement-Section X-Vacation Replacements and Other Employees Hired for Temporary Work, subject to review of the National Parties.

5. Transformation Program Options

Delphi and the UAW agree on the following Transformation Program options which will be offered at all Delphi sites. The Retirement Incentives and Buy Out are subject to the terms of Attachment C, and are generally described below.

a. Retirement Incentives – Traditional Employees

Retirement options will be provided for Delphi employees not covered by the Supplemental Agreement to be effective no later than September 1, 2007 as described in Attachment C and summarized below:

- 1) \$35,000 for normal or early voluntary retirements
- 2) 50 & 10 Mutually Satisfactory Retirement (MSR)
- 3) Pre-retirement program covering employees with at least 26 years of credited service but less than 30 years as of September 1, 2007
- 4) These retiring employees will be considered to have flowed back to GM for purposes of retirement ("Check the Box") and be treated consistent with the Check the Box retirements under the UAW-GM-Delphi Special Attrition Program.
- 5) Participation conditioned on release of claims

b. Buy Out – Traditional Employees

- 1) The amount of the Buy Out Payments shall be as follows, subject to release of claims:

- i. Traditional Employees with 10 or more years of seniority or credited service, whichever is greater, will be eligible for a Buy Out payment of \$140,000
 - ii. Traditional Employees with less than 10 years of seniority will be eligible for a Buy Out payment of \$70,000
 - 2) Buy Outs will be effective when the employee's services are no longer required, but in any event no later than September 15, 2007. Employees will sever all ties with GM and Delphi except for any vested pension benefits (as such no pension supplements are payable).
 - 3) As necessary, employees who have accepted a Buy Out may be rehired as temporary employees to satisfy any operating needs. Any employee rehired as a temporary employee will not be eligible for any coverage or benefits under the Term Sheet. Further, any employee rehired as a temporary employee shall receive the starting wage rate applicable for a new temporary employee. Such temporary employees will not be eligible for any future attrition or Severance Payments.
- c. Buy Down – Traditional Employees
- 1) Effective October 1, 2007 all Traditional Employees, both production and skilled trades, other than pre-retirement program participants, will become Supplemental Employees and will be covered by all provisions of the Supplemental Agreement.
 - 2) Buy Down payments will be made to Traditional production employees as described below and will not exceed \$105,000.
 - a) Traditional production employees on active status (including Protected Status, but excluding pre-retirement program participants), and Traditional production employees on temporary layoff as of October 1, 2007 will be eligible for the Buy Down payments.
 - b) The \$105,000 Buy Down payment will be paid out in three (3) equal installments of \$35,000, less applicable withholding, in the first pay ending after October 1, 2007, October 1, 2008, and October 1, 2009 provided the employee is on active status, receiving holiday pay, paid vacation, jury duty, military leave, or temporary layoff status on each of those three (3) dates. The October 1, 2008 and October 1, 2009 payments will be prorated based on the

number of pay periods worked and the rate of compensation in the preceding 52-week period. Treatment of employees on disability or Workers' Compensation leave is in accordance with (d) and (e), below.

- c) Traditional production employees who are on a leave of absence other than Sickness and Accident (S&A), Extended Disability (EDB), and Workers Compensation on October 1, 2007 will be eligible for the first \$35,000 payment, less applicable withholding, at the time they return to work if they return to work prior to October 1, 2008. The two (2) subsequent payments will be pro-rated based on the number of pay periods worked during the year immediately prior to the October 1st date. Additionally, the two (2) subsequent payments also will be adjusted by time spent on disability during the year immediately prior to the October 1st date, as described in (e), below.
- d) Sickness & Accident (S&A) benefits, Extended Disability Benefits (EDB), health care, life insurance and other applicable benefits will be reduced on October 1, 2007 to Supplemental Agreement levels for Traditional Employees who are on disability or Workers' Compensation leave on October 1, 2007. Traditional production employees will be eligible to receive a \$35,000 Buy Down payment on October 1, 2007.
- e) Traditional production employees who are eligible for Buy Down payments and who are on or commence a disability or Worker's Compensation leave on or after October 1, 2007, will be eligible for the 2nd and 3rd Buy Down payments pro-rated for the time they spent on disability or Worker's Compensation leave during the year immediately preceding the date of each subsequent Buy Down payment. The pro-rated amount that will be included in the Buy Down payment for the period spent on disability or Workers' Compensation leave will have the same percentage relationship to the full Buy Down amount as the employee's applicable Sickness & Accident or Extended Disability Benefit schedule of benefits has to their base hourly rate for the applicable periods of leave.
- f) Traditional Production employees on active status (including Protected Status, but excluding pre-retirement program participants), and Traditional production employees on temporary layoff as of October 1, 2007 who do not elect an

option as described in Attachment C will become Supplemental Employees and will be covered by all provisions of the Supplemental Agreement as described in Paragraph C.5.c. 1-2 e of this Buy Down section. Employees must sign a Conditions of Participation Release Form in order to receive the \$35,000 lump sum payment.

- g) Traditional production employees who are in a plant that is wound down on October 1, 2007 who do not elect an option under the Special Attrition Program – Transformation (Attachment C), will become Supplemental employees and will be covered by all provisions of the Supplemental Agreement as described in Paragraph C.5.c.1-2 e of this Buy Down section and will be placed on layoff effective October 1, 2007. The employees will receive the October 1, 2007 \$35,000 lump sum payment, less applicable withholding, if they sign the Conditions of Participation Release Form. These laid off employees will not be eligible for any future Buy Down payments, but can collect SUB, if otherwise eligible.
 - h) Traditional skilled trades employees who are on roll October 1, 2007 and receiving compensation will be eligible for a one time buy down payment of \$10,000, less applicable withholding, in the first pay ending after October 1, 2007. Traditional skilled trades employees will have the COLA in effect as of the Effective Date of this Agreement frozen at that level through October 1, 2007. Any Traditional skilled trades employees who are Bought Down and remain on roll will have such frozen COLA folded into their base rate effective October 1, 2007, and will thereafter be covered by the skilled trades wage and benefit provisions of the Supplemental Agreement.
 - i) Employees must sign a Conditions of Participation Release Form in order to receive the lump sum payments.
 - j) No further Buy Down payments will be payable to any employee who flows back to GM or severs their employment with Delphi.
- 3) In determining the wages and benefits for Traditional Employees who Buy Down to Supplemental Employee status, such employees will be given credit for time spent as a Delphi Traditional Employee at traditional wages and benefits (i.e., will

not be treated as new hires for purposes of applying Supplemental Agreement wage and benefit schedules).

- 4) Traditional Employees electing a Buy Down will retain eligibility for OPEB and pension benefit treatment under the Term Sheet without regard to such election.

6. Severance Payments

Delphi and the UAW agree that any Supplemental or Temporary Employees on the active employment rolls as of the Effective Date of this Agreement at any "Keep," "Sell," "Footprint," or "Wind Down" sites (excluding employees who previously received a Buy Out payment from Delphi and were rehired as temporary employees), who are permanently laid off prior to September 14, 2011, shall be eligible for a lump sum severance payment equal to \$1,500 for each month of his/her combined service with Delphi and, in the case of sold facilities, the new owner. The maximum amount of severance pay is \$40,000, less applicable withholdings. Employees must sign a Conditions of Participation Release Form in order to receive the Severance Payment. The Parties agree that employees who are separated will sever all ties with GM and Delphi except for any vested pension benefits (as such no pension supplements are payable), if any.

Employees who are on roll on the Effective Date of this Agreement who are also eligible for Supplemental Employee Benefits (SUB) will have their choice of SUB or the Severance Payment specified above but will not be entitled to both.

Employees hired after the Effective Date of this Agreement who have 3 or more years of seniority at the time their services are no longer required but prior to September 14, 2011 may elect a \$40,000 severance payment or SUB as specified in the Supplemental Agreement.

Permanent employees covered by the Supplemental Agreement placed on indefinite layoff from the AHG- Fitzgerald plant after May 1, 2007 and prior to the Effective Date of this Agreement will be eligible for the severance payment provided they sign the required Conditions of Participation Release form.

7. Any problems with the implementation of this Transformation section will be discussed by the National Parties in order to agree on an equitable solution.

D. MODIFICATIONS TO THE 2004 SUPPLEMENTAL AGREEMENT

The UAW and Delphi agree to the following Supplemental Agreement modifications:

1. Wages

The UAW and Delphi agree that wages for Supplemental Employees, and for Traditional Employees who Buy Down will continue to be determined in accordance with the Supplemental Agreement except as modified below:

- a. Wage Progression. For production employees hired prior to the Effective Date of this Agreement, the 3% wage progression increases will be discontinued subject to the following:
 - (i) Employees in groups A, B, or C (as defined in the Supplemental Agreement) hired before the Effective Date whose base hourly wage rate , as of the Effective Date, exceeds the respective group's 2007 Floor Rate as described below, will receive his/her next scheduled wage progression increase, as defined in the 2004 Supplemental Agreement, following the Effective Date, and will thereafter receive wage increases only as described in Section D.1.d below. In the event such final wage progression increase occurs on or after December 31, 2007, it shall be adjusted upward to reflect the impact of any Wage Formula increase effective on that date, as described in Section D.1.d below.
 - (ii) Employees in groups A, B, or C hired before the Effective Date whose base hourly wage rate , as of the Effective Date, is at or below the respective group's 2007 Floor Rate as described below will continue to receive scheduled wage progression increases as defined in the 2004 Supplemental Agreement, if any, required to bring such employee up to the respective group's 2007 Floor Rate. Any employee who has not reached his/her respective Floor Rate through scheduled wage progression increases will be automatically moved to the Floor Rate effective December 31, 2007, and will thereafter receive wage increases only as described in D.1.d below. Any wage increases described in D.1.d. below will be applied to an employee's base wage rate following application of any automatic increase up to his/her respective group's Floor Rate. (The examples provided in Attachment F are provided for reference in the administration of this provision).

<u>Supplemental Wage Group</u>	<u>2007 Floor Rate*</u>
A	\$16.23
B	\$15.30
C	\$14.50

*The Floor Rate will be adjusted at the beginning of each year as described in Section D.1.d below.

- (iii) An employee in Group D ("Screw Machine Operator" and "Screw Machine Operator – Trainee") hired before the Effective Date whose base hourly rate, as of the Effective Date of this Agreement, is at or below his/her first progression step (i.e. \$18.50) shall have his/her base rate increased to this first progression step on such date, and increased further to the second (and final) progression step of \$19.50, effective December 31, 2007. The final progression step of \$19.50 shall be the initial Floor Rate for Group D employees. Thereafter, such employees will receive wage increases only as described in Section D.1.d below, and consistent with the methodology as described in D.1.a.(i) and (ii) above.
- (iv) Traditional Employees taking the Buy-Down to Supplemental Employee status will be given credit in the wage progression schedule for time as a Traditional Employee up to the current wage maximum in each respective Supplemental Agreement wage group and will thereafter be treated as described in Section D.1.a.(i) above.

b. Production Employee New Hire Rates

For all production employees hired after the Effective Date of this Agreement, new hire rates shall be established at the greater of (a) \$14.00 per hour, or (b) 90% of the prevailing Floor Rate for the respective classification. As a temporary exception, employees newly hired into classifications belonging to Wage Group A between the Effective Date of this Agreement and December 31, 2007, will start at an initial hire rate of \$14.42 per hour. The wage rate of employees hired under this temporary exception will be adjusted to \$14.61 effective December 31, 2007, and thereafter proceed under the normal progression schedule as described below based on his/her hire date. Employees hired at the 90% level will receive four wage progression increases, one every 26 weeks in an amount equal to 2.5% of the then-prevailing Floor Rate, until reaching the Floor Rate for the relevant classification

over the course of 104 weeks. Employees hired at the \$14.00 rate will receive four wage progression increases, one every 26 weeks, in the amount necessary to achieve the then-prevailing Floor Rate over the course of 104 weeks in four proportional increases. These proportional increases shall be equal to the difference between the then-prevailing Floor Rate for the classification and the employee's then-current rate multiplied by 25% for the first progression increase; 33% for the second; 50% for the third; and 100% for the fourth and final progression increase. All new hires will also receive the wage increases described in Section D.1.d below.

c. COLA

As of the Effective Date of this Agreement, Skilled Trades employees covered by the Supplemental Agreement will have all accrued COLA folded into their base rates. Thereafter, future COLA adjustments shall be eliminated and replaced by Wage Formula increases as described in Section D.1.d below. With respect to the January, 2008 Wage Formula increase, the applicable percentage adjustment shall be applied to each employee's base wage rate, including any applicable COLA folded in as of the Effective Date. Supplemental Production Employees hired prior to the Effective Date, and on active status as of August 1, 2007, will be eligible to receive a one-time COLA make-up adjustment payment in the amount of \$350 payable during the week of August 6, 2007.

d. Wage Formula Increases

Effective with the Monday of the week that includes the first scheduled workday of 2008 (12/31/2007), 2009 (1/5/2009), 2010 1/4/2010 and 2011 (1/3/2011), the hourly wage rate for each production and Skilled Trades employee will be increased by a percentage equal to the greater of (a) the annual percentage increase in average hourly earnings, excluding overtime, of employees in the Manufacturing sector (BLS Series CEU3000000033) or (b) the annual percentage increase in the All Items, Less Medical, CPI-W Index (1982-84=100), both as calculated for the 12 month period ending with the month of August prior to the respective increase date. In the event a calculated increase exceeds 3.75%, wages will be increased by 3.75% and the parties will determine a mutually acceptable disposition of the excess, guided by the twin goals of enhancing UAW members' job and income security and the company's competitiveness. In the event the wage formula generates a negative result, wages will not be reduced. Instead, the negative result, up to a negative 3.75%,

would be used as a direct offset to the next subsequent formula increase (and subsequent increases after that, if necessary, until fully offset). For example, if the formula produced a negative result of 1.34% in one year followed by a 2.45% increase in the next year, the adjusted increase in the second year would be a net 1.11%.

The engineering method of rounding will be adopted for all Wage Formula calculations: to three decimal places for the Manufacturing sector average hourly earnings component; to four decimal places for the annual inflation component; to four decimal places for year-to-year percentage changes for each of these components; and to two decimal places for new base hourly wage rates following application of a four decimal Wage Formula increase.

e. Wage Formula Basis

In the event that either of the BLS Series data as referenced above is eliminated, the parties will adopt a mutually agreeable successor or replacement series for use in future calculations. When calculating a Wage Formula result for a current year, BLS data from the preceding year's calculation will become the basis for the current year formula and will not be changed to reflect subsequent revisions in the published data, nor will a Wage Formula adjustment for a prior year be changed as a result of subsequent revisions in the underlying data.

2. Individual Retirement Plan and Personal Savings Plan

Covered Employees under the Term Sheet (Attachment B) are not eligible to participate in the Individual Retirement Plan provisions of the Delphi pension plan or receive a company match to the Personal Savings Plan for the period of time they are eligible to accrue credited service in the GM pension plan in accordance with the Term Sheet.

3. Post Retirement Health Care Account

Covered Employees who can attain eligibility to receive GM OPEB under the Term Sheet (Attachment B) are not eligible to receive credits in the Retiree Medical Account.

E. LOCAL NEGOTIATIONS

The UAW and Delphi agree that local negotiations regarding work rules and other local agreement issues will be conducted on an expedited basis immediately upon ratification of this Agreement, with the support and assistance of the National Parties, at all "Keep", "Sell" and "Footprint" sites (see Section B and Attachment A, D). At facilities to be sold/transferred, such local negotiations will involve the new owner.

F. PENSION AND OPEB / BENEFIT GUARANTEE

1. The Parties have agreed to a Term Sheet with respect to the freezing of Delphi's pension plan, the cessation of Other Post Employment Benefits (OPEB) for Delphi employees and retirees and the consensual triggering of the GM-UAW Benefit Guarantee. That agreement, the Term Sheet, is attached as Attachment B, and is incorporated by reference herein.
2.
 - a. GM and the UAW agree that the period of time on or before which GM's obligations under sections b., c., d., and e. of the Benefit Guarantee Agreement between GM and the UAW, dated September 30, 1999 ("Benefit Guarantee"), may be triggered shall be extended to December 31, 2007 (and to March 31, 2008 if Delphi has commenced solicitation of acceptances of its chapter 11 plan of reorganization prior to December 31, 2007 but the plan has not been confirmed and substantially consummated or such later date as Delphi and GM shall agree to extend the Indemnification Agreement expiration in Section F.2.c)), provided, however that notwithstanding the foregoing or any other provision of this Agreement, this extension shall be without prejudice to any rights, defenses or claims of any Party with respect to the Benefit Guarantee.
 - b. Notwithstanding anything to the contrary in the Benefit Guarantee, this Agreement, or the Benefit Guarantee Term Sheet (Attachment B), GM and the UAW hereby agree that if, at any time prior to the Effective Date, as defined in Attachment B (including the event that such Effective Date never occurs):
 - 1) Delphi or its successor company(ies) terminates its pension plan covering the Covered Employees or ceases to provide on-going credited service for the Covered Employees working at Delphi or its successor company(ies), as applicable, section b. of the Benefit Guarantee will be triggered for such Covered Employees to whom such cessation or termination applies; or
 - 2) Delphi fails or refuses to provide post-retirement medical benefits to Covered Employees retired from Delphi with eligibility for such benefits prior to September 1, 2007, or Delphi reduces the level of post-retirement medical benefits for such Covered Employees below the level of benefits which GM is providing to its UAW-represented retirees, section c. of the Benefit Guarantee will be triggered for all such Covered Employees to whom such failure,

refusal or reduction applies, except for any Covered Employee who is a "check the box" retiree.

Any such triggering in this Section F.2.b. will be subject to all other terms and conditions of the Benefit Guarantee. All terms of this Section F.2.b (even any that have already become effective) will be superseded in their entirety by Attachment B if and when Attachment B becomes effective. Notwithstanding the foregoing or any other provision of this Agreement, any triggering of the Benefit Guarantee hereunder as between GM and the UAW shall be without prejudice to the rights, defenses or claims of any Party with respect to the Benefit Guarantee (including, without limitation, Delphi, which the UAW and GM acknowledge has neither agreed nor consented to the triggering of the Benefit Guarantee pursuant to this Agreement or otherwise), except as to GM regarding its agreement to trigger as specifically provided for in this section F.2.b.

c. Delphi and GM agree that the eighth anniversary date reference in paragraph L of the Agreement between Delphi and GM, with respect to the Benefit Guarantee, dated as of December 22, 1999 (the "Indemnification Agreement"), i.e. October 18, 2007, shall be extended to December 31, 2007 (and to March 31, 2008 if Delphi has commenced solicitation of acceptances of its chapter 11 plan of reorganization prior to December 31, 2007 but the plan has not been confirmed and substantially consummated or such later date as Delphi and GM shall mutually agree); provided, however that notwithstanding the foregoing or any other provision of this Agreement, this extension shall be subject to a full reservation of rights to challenge on any grounds the validity or enforceability of the Indemnity Agreement or any claim GM has made or may make in connection with the Indemnity Agreement, and GM expressly agrees and acknowledges that nothing herein shall be deemed to be, or shall be evidence of, any waiver of any defense Delphi has concerning the Indemnity Agreement or any claim there under or otherwise including defenses arising out or related to the triggering of the Benefit Guarantee under this Agreement without Delphi's approval or consent as an indemnitor under the Indemnity Agreement.

3. Notwithstanding anything to the contrary in this Agreement or any other agreement between (a) the UAW and GM or (b) the UAW and Delphi, in the event that the Benefit Guarantee expires as described in Section F-2, and the Effective Date (as defined in the Benefit Guarantee Term Sheet (Attachment B)) has not occurred, and Delphi has unilaterally modified, terminated or in any way reduced or diminished any of the benefits covered by the Benefit Guarantee, the

UAW shall be immediately released from any obligations to refrain from striking and shall be allowed to call a strike against Delphi and/or GM on two days written notice. This limited right to strike will terminate on the Effective Date of Attachment B or as provided in a substitute agreement between the UAW, Delphi and GM.

G. INTENTIONALLY OMITTED

H. OTHER NATIONAL AND LOCAL AGREEMENT MODIFICATIONS

1. Hiring requirements

The UAW and Delphi agree that all existing and future hiring obligations and all such provisions contained in the Existing Agreements as defined below in Section 7 are eliminated.

2. Transfer of Pension Assets and Liabilities – (414)(l)

A transfer of pension assets and liabilities will occur as provided in the Term Sheet pursuant to Internal Revenue Code Section (414)(l).

3. Existing CHR/Legal Services

The Parties agree as follows:

- a. As of October 1, 2007, all Delphi funding and participation in the Legal Services Plan (Attachment I to the 2003 UAW-Delphi National Agreement) and all programs associated with the UAW-GM Center for Human Resources (CHR) will be terminated. Discussions about any joint programs to be continued, and the method for their administration at the local level in the absence of the CHR, will be a matter of Local Negotiations.
- b. CHR joint training fund accruals will be addressed as specified in Section J, below.
- c. The CHR/Joint Training Funds New Allocation Agreement dated April 2, 2001 is terminated as of the Effective Date of this Agreement.
- d. Existing Legal Services fund (cash and accruals) will be reserved for the exclusive use of eligible participants or to pay administrative expenses incurred by the Plan until depleted. Any excess (cash and accruals) will be addressed as specified in Section J below.

4. Holiday Schedule

Delphi and the UAW agree to adopt the same specified holidays as agreed to by General Motors and the UAW through September 14, 2011 (not including any paid Independence Week days except for the specified Independence Day holiday itself).

5. Workers' Compensation Letter

The Workers' Compensation letter agreement attached to the 2003 Delphi HRP will be subject to the same modifications that may be made to the Workers' Compensation letter agreement in the 2003 UAW – GM National Agreement as a result of 2007 National Negotiations between GM and the UAW.

6. Temporary Employees

The UAW and Delphi agree that temporary employees may be used to satisfy need-to-run requirements in plants that are considered "Wind Downs", "Sell" and "Footprint". Temporary employees may be used in "Keep" sites to bridge any difficulties arising from the implementation of the attrition portion of this Agreement (Attachment C). The use of temporary employees at any site for any reason is subject to the approval of the UAW-Delphi National Parties.

7. Existing Agreements

The UAW and Delphi agree that the Supplemental Agreement, the UAW-Delphi National Agreement dated September 18, 2003 and supplemental agreements attached as Exhibits thereto and UAW-Delphi Local Agreements (collectively the "Existing Agreements") are modified or eliminated to conform to the provisions of this Agreement, as listed in Attachment E.

8. Document 13

The UAW and Delphi agree that the Document 13 commitment in Article 2 of the Supplemental Agreement and Document 13 of the National Agreement shall remain in effect through and expire on September 14, 2011, and that both are waived to the extent necessary to implement the site plans outlined in Section B. and as described in detail in Attachment A ("Site Plans").

9. Appendix L

The UAW and Delphi agree that the terms of the existing Appendix L provisions of the 2003 UAW/Delphi National Agreement will be

applicable with the understanding that upon the conclusion of these negotiations, the UAW-Delphi Joint National Sourcing Committee will identify the proper variable wage and benefit cost elements to be utilized in the Net Present Value Costing Methodology.

10. GIS

The UAW and Delphi agree that the Guaranteed Income Stream (GIS) Program (Exhibit E to the 2003 UAW-Delphi National Agreement) will be eliminated.

11. AOL

The UAW and Delphi agree that the Corporation-paid subsidy for AOL will be discontinued.

I. EQUIVALENCE OF SACRIFICE

Delphi reaffirms its commitment to the principle of “equivalence of sacrifice” when establishing compensation and benefit levels for salaried employees and management, to ensure that sacrifices by UAW-represented employees are reflected in the pay and benefit practices of all non-represented employees.

Information provided by Delphi related to this matter will be in accordance with the requirements of the Supplemental Agreement.

**J. SETTLEMENT OF ALL EMPLOYEE, RETIREE, AND UNION
ASSERTED AND UNASSERTED CLAIMS**

The Parties agree to the following in partial consideration for the UAW entering into this Agreement and in consideration for the releases to be provided pursuant to Section K.

1. Individual settlements pursuant to Transformation Program terms and conditions.
2. The UAW has asserted a claim against Delphi in the amount of \$450 million as a result of the modifications encompassed by this Agreement and various other UAW agreements during the course of Delphi’s bankruptcy. Although Delphi has not acknowledged this claim, GM has agreed to settle this claim by making a payment in the amount of \$450 million, which the UAW has directed to be paid directly to the DC VEBA established pursuant to the settlement agreement approved by

the court in the case of Int'l Union, UAW, et. al. v. General Motors Corp., Civil Action No. 05-73991.

3. Delphi is current in its payment of Delphi-related CHR expenses and Legal Services through year end 2006 and to date in 2007. In addition, on October 1, 2007, the UAW will receive payment for an allowed claim against Delphi in the amount of \$140 million consisting of CHR existing accruals of \$134 million and UAW-Delphi Legal Services Plan accruals of \$6 million (adjusted by the difference between accruals and expenditures until the effective date of the plan of reorganization) in complete settlement of the UAW and the UAW-GM Center for Human Resources claims asserted as to CHR Joint Funds and the UAW-Delphi Legal Services Plan accruals and expenses. The amount of \$30 million will be directed to the UAW-GM Center for Human Resources and the balance will be paid directly to the DC VEBA established pursuant to the settlement agreement approved by the court in the case of Int'l Union, UAW, et. al. v. General Motors Corp., Civil Action No. 05-73991.
4. Excludes waiver of rights to vested pension benefits, workers compensation benefits, unemployment compensation benefits and pursuance of pending ordinary course grievances of employees remaining in the workforce.
5. All other consideration and concessions provided by GM and Delphi under the terms of this Agreement and all attachments to this Agreement.

The Parties also acknowledge that (i) the consideration provided by GM pursuant to this Agreement and all attachments to this Agreement constitutes a substantial contribution to Delphi's plan of reorganization, (ii) this contribution is necessary to the success of Delphi's plan of reorganization, and (iii) GM would not have made this contribution without obtaining the waivers and releases provided for herein. The Parties further acknowledge that nothing in the preceding sentence shall give rise to or entitle GM to seek or be allowed any claim against or consideration from any entity, including Delphi, other than as specifically approved by the Bankruptcy Court as agreed to by Delphi and GM in a comprehensive settlement agreement resolving the financial, commercial, and other matters between them.

K. EFFECTIVE DATES AND BANKRUPTCY PROCEEDINGS

1. Subject to its terms and conditions, this Agreement is a final, binding and conclusive commitment and agreement that will be effective on the later of entry of an Order by the U.S. Bankruptcy Court approving this Agreement that is satisfactory to the UAW, GM and Delphi (the

“Approval Order”), or the first Monday following receipt by Delphi of written notice of ratification from the UAW (the “Effective Date”). The ratification process will commence as soon as practical following the date of this Agreement. In connection with Delphi's prosecution of a motion to obtain entry of the Approval Order in the Bankruptcy Court, (a) Delphi shall use its best efforts to file a motion for approval of this Agreement in form and substance reasonably acceptable to the Parties to be heard not later than the first monthly omnibus hearing at which the motion can be considered under the case management orders entered in the Bankruptcy Court, (b) Delphi shall provide, to the extent reasonably practicable, both the UAW and GM with copies of, and a reasonable opportunity to comment on, all motions, applications, proposed orders, pleadings and supporting papers prepared by Delphi for filing with the bankruptcy court relating to court approval of this Agreement, and (c) the Parties shall support the approval of this Agreement in the Bankruptcy Court without condition, qualification or exception.

2. The parties acknowledge that the following provisions of this Agreement will not become effective until all of the following events have occurred and as of the date when the last of such events shall have occurred: (a) execution by Delphi and GM of a comprehensive settlement agreement resolving the financial, commercial, and other matters between them and (b) the substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases and confirmed by the Bankruptcy Court which incorporates, approves and is consistent with all of the terms of this Agreement and the comprehensive settlement agreement between Delphi and GM:
 - a. The Benefit Guarantee Term Sheet (Attachment B)
 - b. Delphi pension freeze (Section F and Attachment B)
 - c. Cessation of Delphi OPEB (Section F and Attachment B)
 - d. 414(l) transfer (Section H.2 and Attachment B)
 - e. Section J.2.
3. The Parties agree that the order of the Bankruptcy Court approving this Agreement shall provide that any plan of reorganization consistent with this Agreement and any confirmation order entered into with respect to such plan shall include the following provisions:
 - a) On the effective date of such plan of reorganization, the UAW, all employees and former employees of Delphi represented or formerly represented by the UAW, and all persons or entities with claims derived from or related to any relationship with such employees or former employees of Delphi, waive and release and be deemed to have waived and released any and all claims of any nature, whether liquidated, unliquidated, contingent, non-

contingent, asserted or unasserted, existing and/or arising in the future against Delphi, its subsidiaries or affiliates, the Delphi HRP, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, GM, its subsidiaries or affiliates, the GM HRP, the GM Health Care Program for Hourly Employees and the GM Life and Disability Benefits Program for Hourly Employees, and the officers, directors, employees, fiduciaries, and agents of each, arising directly or indirectly from or in any way related to any obligations under the collective bargaining agreements between Delphi and the UAW and between GM and the UAW related to such employees and the UAW-GM-Delphi Memorandum of Understanding Benefit Plan Treatment related to such employees (provided, however, that claims for benefits provided for or explicitly not waived under the provisions of this Agreement are not waived).

- b) A plan exculpation and release provision (which provision shall be at least as comprehensive as the plan exculpation and release provision under the plan of reorganization for the debtor) for the UAW released parties (which shall include the UAW and each of their current or former members, officers, committee members, employees, advisors, attorneys, accountants, investment bankers, consultants, agents and other representatives) with respect to any liability such person or entity may have in connection with or related to the Delphi bankruptcy cases, the formulation, preparation, negotiation, dissemination, implementation, administration, confirmation or consummation of any of the plan of reorganization, the disclosure statement concerning the plan of reorganization, this Agreement or the Agreements on Attachment E hereto or any contract, employee benefit plan, instrument, release or other agreement or document created, modified, amended or entered into in connection with either the plan of reorganization or any agreement between the UAW or Delphi, or any other act taken or omitted to be taken consistent with this Agreement in connection with the Delphi bankruptcy.
 - c) This Agreement and the agreements referenced in Attachment E shall be assumed under 11 U.S.C. §365.
4. The Parties agree that they will cause the UAW-GM Center for Human Resources to enter into a consent order in the Bankruptcy Court agreeing to the treatment of the CHR claim provided for in Section J of this Agreement.

5. Nothing contained herein shall constitute an assumption of any agreement described herein, including, without limitation any collective bargaining agreement between the UAW and Delphi (except as provided for in Section K.3) or any commercial agreement between GM and Delphi, nor shall anything herein be deemed to create an administrative or priority claim with respect to GM or convert a prepetition claim into a postpetition claim or an administrative expense with respect to any party. The Parties further agree (and the Bankruptcy Court order shall also provide) that this Agreement is without prejudice to any interested party (including the parties to this Agreement and the statutory committees) in all other aspects of Delphi's Chapter 11 cases and that each Party to this Agreement reserves all rights not expressly waived herein.
6. Unless this Agreement is consummated following all required approvals, nothing herein shall bind any of the Parties nor shall the Agreement be admissible in any judicial or other proceeding on behalf of or against any Party.

The parties, by their duly authorized officers and representatives, agree accordingly this
22nd day of June 2007.

SITE PLANS

OVERVIEW

- The following site documents describe GM's and Delphi's product program commitments to the sites (Keep, Sell and Footprint). At the Sell Sites, the Parties understand that the new owners' involvement and perspective will be needed as part of the process.
- General Motors will suspend all Sourcing on current products and new products (identified in Attachment A-1) at the Keep, Sell and Footprint Sites (after their transformation) for the life cycles of the identified engine programs, vehicle programs, warehousing, unitizing, trucking-related and component manufacturing.
- Program name changes will not alter the commitments made for the Keep Sell and Footprint Sites in this document. In the event a product program identified in Attachment A-1 is cancelled, discussions will be held between General Motors, Delphi and the UAW to find alternative solutions.
- Grand Rapids, Kokomo, Rochester and Lockport (the "Keep" Sites) will retain all current parts, including their current respective percentage of the total volume, through the life cycles of the identified engine and vehicle programs which they supply to General Motors.
- General Motors will award new work to the Keep Sites as identified in Attachment A-1, and Delphi will produce the associated products at the Keep Sites.
- Delphi will suspend all Sourcing relative to the above referenced current product programs manufactured for GM at the Keep sites, as well as the new products identified in Attachment A-1, through the life cycles of the engine and vehicle programs associated with these commodities. If a component in the above program awards causes the product to become uncompetitive, the local parties will meet to resolve the problem. If the local parties cannot reach resolution, the National Parties will provide assistance. If the parties are still unable to reach resolution, Appendix L will be utilized.
- A few GM products are dual sourced. If future volume reductions occur at the Keep, Sell and Footprint sites, GM and/or Delphi will maintain the previously identified volume percentage at the impacted locations.
- Revenue and jobs as identified in this document (including Attachment A-1) are based on current estimates of program volumes which are subject to change based on future market conditions and are not financial or volume guarantees.
- Investment and engineering figures are estimates based on the current understanding of program requirements which are subject to change based on future program revisions, and are not financial or volume guarantees.

 - » No restrictions on combination of jobs or "right of access" (eliminate LODs)
 - » Operate production equipment as required
- Flexibility to use production employees efficiently
 - » Reduce production classifications to a minimum
 - » No restrictions on combination of jobs
 - » Enhancing production employee skills and utilizing them to their fullest capabilities (maintenance of tooling/equipment, changeovers, etc.)
- Reduce employee movement to protect quality of product and operating efficiencies
- Overtime
 - » Resolve uncompetitive skilled trades Full Utilization restrictions
 - » Simplify scheduling and equalization administration
- Attendance
 - » Implement a local No Fault Attendance Program
 - » FMLA Administration as allowed by law

Gen V LOMA (5X OHV & 6.2 DOHC)					

Note: As of this writing, Fuel Cell products are not fully developed and associated costs and market prices are not well defined. In that regard, Delphi will commit the North American work to the Rochester Site with the understanding that the local parties will develop, as soon as feasible, a manufacturing plan that financially supports the production and assembly work being placed at the Site. If any disputes arise between the local parties concerning the plan, either party may request assistance from the National Parties.

**Term Sheet – Delphi Pension Freeze and Cessation of OPEB, and
GM Consensual Triggering of Benefit Guarantee**

- 1) This Term Sheet sets forth the agreement of General Motors Corporation (“GM”), Delphi Corporation, or any successor to Delphi as a result of the acquisition of substantially all the stock or assets of Delphi Corporation or a merger of Delphi Corporation, or any plan sponsor of the Delphi Hourly-Rate Employees Pension Plan (“Delphi”), and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America and its applicable Local Unions (“UAW”) regarding the freeze of the 2003 Delphi Hourly-Rate Employees Pension Plan (“Delphi HRP”), Delphi’s cessation of post-retirement health care benefits and employer-paid post-retirement life insurance benefits (hereinafter referred to as “OPEB”), and the terms of a consensual triggering and application of the Benefit Guarantee agreement between GM and the UAW, dated September 30, 1999 (“Benefit Guarantee”). For purposes of this Term Sheet, the term “Covered Employee” will have the same meaning as in the Benefit Guarantee and the term Trigger Date means January 1, 2007. Except as otherwise expressly stated herein, the terms of the respective Delphi and GM employee benefit plans and programs will govern. This Term Sheet does not, and is not intended to, constitute an employee benefit plan under the meaning of ERISA.
- 2) The parties acknowledge that this Term Sheet will become effective (the "Effective Date") when all of the following events have occurred and as of the date when the last of such events shall have occurred: (a) the entry of an approval order by the Bankruptcy Court in Delphi's chapter 11 cases approving UAW-Delphi-GM Memorandum of Understanding-Delphi Restructuring which incorporates (among other subject matters) this Term Sheet and approves modifications to the existing collective bargaining agreements between Delphi and the UAW resolving any Section 1113 and 1114 motions pending in the Bankruptcy Court as between Delphi and the UAW; (b) successful ratification by the UAW membership of such of the agreements referred to in the preceding clause as are determined by the UAW to require such ratification; (c) execution by Delphi and GM of a comprehensive settlement agreement resolving the financial, commercial, and other matters between them; and (d) the substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases (the “Plan”) and confirmed by the Bankruptcy Court which incorporates, approves and is consistent with all of the terms of this Term Sheet and the comprehensive settlement agreement between Delphi and GM.

Pensions

- 3) Pursuant to the Plan and this Term Sheet, Delphi will as of the first of the month next following the Effective Date or as soon as practicable thereafter in accordance with applicable law (the “Freeze Date”), amend the Delphi HRP so as to freeze benefit accruals for future credited service in the Delphi HRP, except as set forth in

paragraph 4.b. of this Term Sheet. This freeze does not apply to the Individual Retirement Plan provisions of the Delphi HRP.

- 4) With regard to such amendment and freeze of the Delphi HRP, Delphi will cause the frozen Delphi HRP to pay benefits in accordance with the terms of the Delphi HRP and applicable law. In this regard, the parties agree as follows:
 - a) Covered Employees, who are retired as of the Freeze Date, will continue to be eligible for and receive from the Delphi HRP all benefits, including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP as of the date immediately preceding the Effective Date.
 - b) Delphi employees (without regard to whether they are also "Covered Employees") who are participants in the UAW-GM-Delphi Special Attrition Program, the Supplement to UAW Special Attrition Program, or the Special Attrition Program-Transformation provided for in Attachment C of the UAW-Delphi-GM Memorandum of Understanding-Delphi Restructuring (collectively the "SAP"), and who are not retired or separated from service under the SAP as of the Freeze Date, will receive credited service in the Delphi HRP for all purposes, including but not limited to eligibility, vesting and future benefit accruals, as if there were no freeze, until the earlier of their retirement or separation from service under the terms of the SAP. For the avoidance of doubt, the Delphi HRP is solely responsible for all credited service for accrual, vesting and eligibility purposes for all Delphi participants in the SAP, including but not limited to participants in the pre-retirement program option. Further, all Delphi SAP participants will be eligible for and will receive full Delphi HRP benefits upon their retirement under the terms of the SAP, including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP as of the date immediately preceding the Effective Date. Delphi SAP participants are not eligible to participate in the Individual Retirement Plan provisions of the Delphi HRP and are not eligible to receive Delphi matching contributions under the Delphi Personal Savings Plan.
 - c) Covered Employees (other than those referred to in paragraph 4.b. of this Term Sheet) who are eligible to retire as of the Freeze Date will, upon their retirement, receive from the frozen Delphi HRP all benefits provided for in the Delphi HRP under the terms in effect as of the date immediately preceding the Effective Date, including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP.
 - d) Covered Employees (other than those referred to in paragraph 4.b. of this Term Sheet) who become eligible to retire after the Freeze Date, when taking into account Delphi credited service, their age at retirement, any GM credited service provided for under paragraph 8. of this Term Sheet, and any other applicable credited service (including credited service as recognized by the Delphi HRP in accordance with paragraph 5 of this Term Sheet), will upon their retirement

- receive from the Delphi HRP all benefits provided for in the Delphi HRP, including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP under the terms in effect as of the date immediately preceding the Effective Date.
- e) For the avoidance of doubt, Covered Employees referred to in paragraphs 4.c. and 4.d. of this Term Sheet, will, upon retirement, receive from the Delphi HRP in addition to any other applicable Delphi HRP benefits the:
- i. full amount of the 30 & out benefit (except as specified in paragraph 9. of this Term Sheet for Covered Employees who flowed back or flowback to GM) through age 62 and one month, or the 80% rate for those born on or before September 14, 1945, including, but not limited to, the full Early Retirement Supplement, in effect as of the date immediately preceding the Effective Date;
 - ii. portion of the Interim Supplement (which is applicable in both 85 point and 60 & 10 retirements) in effect under the Delphi HRP based on the credited service accrued as of the date immediately preceding the Freeze Date and age at the time of retirement; and
 - iii. portion of the Temporary Benefit (T&PD and mutual retirements) in effect under the Delphi HRP based on the credited service accrued as of the date immediately preceding the Freeze Date, not to exceed 30 years.
- f) For the avoidance of doubt, no Delphi HRP participants, including the Covered Employees referred to in paragraphs 4.a. through 4.d. of this Term Sheet, will receive lump sum payments or any increase in benefits above the level of those provided for in the Delphi HRP as of January 1, 2007, except as may be mutually agreed by the UAW and Delphi after the term of the extended 2003 UAW-Delphi National Agreement, i.e. after September 14, 2011. Additionally, no new participants will be allowed to join the frozen Delphi HRP.
- g) Until the Freeze Date, Covered Employees who buydown, pursuant to the UAW-Delphi-GM Memorandum of Understanding-Delphi Restructuring, to the UAW-Delphi Supplemental Agreement dated April 29, 2004, as amended, will continue to receive credited service in the Delphi HRP for all purposes, including but not limited to, eligibility, vesting, and future benefit accruals under the same terms and conditions in the Delphi HRP as prior to the buydown. During this period, such Covered Employees will not be eligible for the Individual Retirement Plan provisions of the Delphi HRP or matching contributions under the Delphi Personal Savings Plan.
- h) Covered Employees who continue to be employed by Delphi after the period of time they are eligible to accrue credited service in the GM HRP under paragraph 8.a. of this Term Sheet will become eligible to participate in the Individual

Retirement Plan provisions of the Delphi HRP and be eligible to receive matching contributions under the Delphi Personal Savings Plan following the expiration of such period.

- 5) After the Freeze Date, all Delphi HRP participants (other than those referred to in paragraph 4.b. of this Term Sheet), including, but not limited to, Covered Employees who are employed at a Delphi operation divested after October 8, 2005, who had not retired or separated from service as of the Freeze Date will, subject to the other terms of the Delphi HRP in effect as of the date immediately preceding the Effective Date, be treated in the Delphi HRP as active participants for all purposes, other than future benefit accruals based on additional credited service, for all periods of time on or after the Freeze Date and prior to retirement or separation from service from Delphi, GM, or any Delphi operation divested after October 8, 2005; provided, however, that for any Delphi operation divested after October 8, 2005 and prior to the Effective Date such active participant treatment is subject to paragraph 6 of this Term Sheet. Treatment of employees who flowback under the UAW-GM-Delphi Flowback Agreement is addressed in paragraph 9 of this Term Sheet. Moreover, Delphi HRP participants who are separated from Delphi as part of a divestiture of a Delphi operation will not be eligible to participate in the Individual Retirement Plan provisions of the Delphi HRP following such separation.
- 6) The Delphi HRP's ability to treat separated employees who are employed at a Delphi operation divested after October 8, 2005 and prior to the Effective Date, as active participants for all purposes other than future benefit accruals based on additional credited service in accordance with paragraph 5 of this Term Sheet is contingent upon Delphi obtaining all required governmental approvals (which Delphi is seeking). If Delphi does not obtain such governmental approvals, Delphi will provide an alternative to enable such participants to continue to accrue credited service for purposes of vesting and eligibility to retire the same as other similar active Delphi HRP participants. Such alternatives include, but are not limited to, temporarily leasing the employees to a successor employer or amending the frozen Delphi HRP on a retroactive basis (i.e., after the Effective Date) to recognize credited service with a successor employer for purposes of vesting and eligibility (but not benefit accrual).
- 7) In furtherance of the Plan, the parties agree that Delphi's action to freeze the Delphi HRP as set forth in paragraph 3. of this Term Sheet will trigger sections b. and e. of the Benefit Guarantee for Covered Employees as of the Freeze Date.
- 8) In accordance with GM's obligations under section b. of the Benefit Guarantee, GM and the UAW agree that as of the Freeze Date the General Motors Hourly-Rate Employee Pension Plan ("GM HRP") will be amended to provide the following:
 - a) Covered Employees, who are Delphi employees as of the Freeze Date or Covered Employees who are employed at a Delphi operation divested after October 8, 2005 and prior to the Freeze Date (other than those referred to in paragraph 4.b. of

this Term Sheet), will be eligible to accrue credited service under the GM HRP for all purposes, including but not limited to eligibility, vesting, and future benefit accruals for the seven (7) year period commencing on the Freeze Date. Any such benefits provided by the GM HRP shall be at the level and scope in effect at Delphi on the day immediately preceding the Effective Date and shall be secondary to benefits provided by Delphi, the Delphi HRP, any of their subsidiaries, affiliates or successors or associated pension plans, and/or the PBGC. In no event shall the GM HRP provide pension benefits on such credited service at a level and scope that exceeds that being provided to hourly retirees of GM. The amount of such credited service accrued will equal:

- i. the amount of credited service that, but solely for the Freeze, would have been earned after the Freeze Date under Article III of the Delphi HRP in effect as of the date immediately preceding the Effective Date; and
- ii. to the extent not taken into account in paragraph 8.a.(i) of this Term Sheet, the amount of credited service that, but solely for the Freeze and divestiture, would have been earned while working after the Freeze Date at any Delphi operation divested after October 8, 2005.

Nothing in this Term Sheet shall be deemed to require GM to grant credited service beyond that described in this section 8.a. Employees shall be provided only the amount of credited service earned as described in this section 8.a, and shall not receive credited service otherwise.

- b) In regard to the credited service accrued in the GM HRP under paragraph 8.a. of this Term Sheet, the GM HRP will recognize Delphi HRP credited service accrued prior to the Freeze Date for purposes of vesting and eligibility to retire for any Covered Employee. No other Delphi HRP credited service will be recognized by the GM HRP.
- c) The GM HRP benefit payable to a Covered Employee, who retires as a normal retirement under Article II, section 1. of the Delphi HRP and GM HRP , will be a Basic Benefit based on GM HRP credited service accrued under paragraph 8.a. of this Term Sheet and the rates in effect under the Delphi HRP as of the Effective Date.
- d) The GM HRP benefit payable to a Covered Employee, who retires under Article II, section 2(a)(3) of the Delphi HRP and GM HRP with 30 or more years of credited service prior to age 62 and one month, will be a Basic Benefit payable beginning at age 62 and one month based on the number of years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet and the rates in effect under the Delphi HRP as of the Effective Date.
- e) The GM HRP benefit payable to a Covered Employee, who retires under the Delphi HRP and GM HRP prior to age 65 with 85 Points or age at least 60 with

10 or more years of credited service, under Article II, section 2(a)(1) or 2(a)(2) of the Delphi HRP and GM HRP or as a Total and Permanent Disability retirement under Article II, section 3 of the Delphi HRP approved both by Delphi pursuant to the procedures applicable to the Delphi HRP as of the date immediately preceding the Effective Date and approved by GM under the procedures applicable to the GM HRP, or as a retirement under mutually satisfactory conditions pursuant to Article II, section 2(b) of the Delphi HRP for the plants identified in section B.4 (excluding Athens) of the UAW-Delphi-GM Memorandum of Understanding-Delphi Restructuring, will consist of the following:

- i. the Basic Benefit based on the number of years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet, age at time of retirement, and the rates in effect under the Delphi HRP as of the Effective Date. Such benefits from the GM HRP are payable beginning upon the date of retirement and will be redetermined, if applicable at age 62 and one month, under the terms of the Delphi HRP in effect as of the date immediately preceding the Effective Date; and
 - ii. if applicable, an interim supplement based on the rates in effect under the Delphi HRP as of the date immediately preceding the Effective Date for the number of years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet and age at time of retirement. The duration of such interim supplement is modified as set forth in the letter in the Delphi HRP entitled Social Security.
 - iii. if applicable, a temporary benefit based on the rates in effect under the Delphi HRP as of the date immediately preceding the Effective Date for the number of years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet. Provided, however, that such number of years of credited service when added to the number of years of credited service in the Delphi HRP will not exceed 30. The duration of such temporary benefit is modified as set forth in the letter in the Delphi HRP entitled Social Security.
- f) Any Covered Employee who, after considering: i) the credited service accrued in the GM HRP under paragraph 8.a. of this Term Sheet; ii) the Delphi HRP credited service recognized in the GM HRP for eligibility to retire under paragraph 8.b. of this Term Sheet; and iii) age at retirement or separation from service from Delphi, or any Delphi operation divested after October 8, 2005, is not eligible for retirement under the GM HRP as described in paragraph 8.c., 8.d., or 8.e. of this Term Sheet, will receive only a deferred vested benefit from the GM HRP based on the years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet. The Basic Benefit will be based on the number of years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet, age at time of benefit commencement, and the rates in effect under the Delphi HRP as of the date immediately preceding the Effective Date.

- Additionally, if Delphi does not obtain all required government approvals referenced in paragraph 5 of this Term Sheet and does not otherwise treat a participant as an active participant as described in paragraph 5 of this Term Sheet, such participant will receive only a deferred vested benefit from the GM HRP based on the years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet. The Basic Benefit will be based on the number of years of credited service accrued under the GM HRP under paragraph 8.a. of this Term Sheet, age at time of benefit commencement, and the rates in effect under the Delphi HRP as of the date immediately preceding Effective Date. Neither GM, or the GM HRP, will have any obligation to supplement the deferred vested amounts set forth above.
- g) Provided that Delphi complies with its obligations set forth in sections 3, 4, and 5 of this Term Sheet, GM's adherence to the provisions of sections 8.a through 8.f of this Term Sheet shall constitute full compliance with its obligations under section b. of the Benefit Guarantee.
- h) For the avoidance of doubt, for the purposes of paragraph 8 of this Term Sheet for Covered Employees who have not retired or separated from service from Delphi, GM, or any Delphi operation divested after October 8, 2005, the GM HRP will continue to recognize the growth in age of such Covered Employees during the period they are considered an active participant in the Delphi HRP pursuant to paragraph 5 of this Term Sheet. For purposes of such recognition of growth in age in the GM HRP, such Covered Employees will not be considered by the GM HRP to have separated from service from GM on a "time for time" basis during the period they are considered an active participant in the Delphi HRP pursuant to paragraph 5 of this Term Sheet.
- 9) The parties agree that the pension benefits payable to employees who flowed back or flowback to GM pursuant to the UAW-GM-Delphi Flowback Agreement as amended (the "Flow Back Employees"), will be as provided for in the UAW-GM-Delphi Memorandum of Understanding Benefit Plan Treatment dated September 30, 1999, as amended ("Benefit MOU"). Such treatment includes, but is not limited to, the combining of credited service for pension vesting, eligibility to retire, and benefit accrual (including without limitation pro rating the 30 & out supplement payable between the Delphi HRP and the GM HRP). Additionally, the parties recognize that the Benefit MOU is not inconsistent with paragraph 4.f. of this Term Sheet, and that in the absence of mutual agreement otherwise between the UAW and Delphi after the term of the extended 2003 UAW-Delphi National Agreement, i.e., after September 14, 2011, Delphi will have no obligation after December 2006 to pay lump sum payments or any portion thereof and GM's responsibility regarding lump sum payments will be the pro rata amount as set forth in the September 18, 2003 amendment to the UAW-GM-Delphi Memorandum of Understanding Benefit Plan Treatment dated September 30, 1999. Unless GM and the UAW otherwise agree in future bargaining, the benefit rate applicable to any service accrued in the GM HRP under paragraph 8.a. of this Term Sheet will be the rate in effect in the

Delphi HRP on the Effective Date. The benefit rate applicable to service accrued in the Delphi HRP will be the rate in effect under the Delphi HRP on the date immediately preceding the Effective Date. Non-Covered Employees who flowback to GM following any employment under the terms and conditions of the UAW-Delphi Supplemental Agreement dated April 29, 2004, as amended will remain eligible for any benefits earned under the Individual Retirement Plan provisions of the Delphi HRP prior to the flowback that become vested but will be ineligible for any RMA (defined in paragraph 18) or other OPEB from Delphi.

- 10) In regard to the triggering of section e. of the Benefit Guarantee as of the Freeze Date, no benefits will be paid pursuant to section e. of the Benefit Guarantee unless Delphi or the Delphi HRP fail to pay pension benefits to Covered Employees as set forth in this Term Sheet. Any benefits provided pursuant to section e. of the Benefit Guarantee will when combined with any pension benefits received (x) from a pension plan sponsored by Delphi, any of its subsidiaries or affiliates or any of their successor company(ies), (y) from the PBGC, and/or (z) from a pension plan sponsored by GM, result in the retired Covered Employees receiving pension benefits equal to those called for in the UAW-Delphi agreement applicable as of the date immediately preceding the Freeze Date.
- 11) In the event that anytime after the Freeze Date, the Delphi HRP is terminated or Delphi further amends the Delphi HRP in a manner that diminishes the benefits from the Delphi HRP to a level below those required by this Term Sheet, sections b. and e. of the Benefit Guarantee will continue in full force and effect with respect to such subsequent termination and/or amendment, regardless of whether such subsequent termination and/or amendment occurs before or after the eighth anniversary of the effective date of the 1999-2003 GM-UAW National Agreement.
- 12) For purposes of determining Base Hourly Rate in the Delphi HRP and the GM HRP for all Covered Employees who are SAP participants, the highest straight time hourly rate plus any cost-of-living allowance in effect during the last 13 consecutive pay periods the Covered Employee actually worked will be utilized. For all other Covered Employees, Base Hourly Rate for purposes of then Delphi HRP and GM HRP will be the higher of Base Hourly Rate calculated (a) on the day preceding the date they transition to employment under the terms and conditions of the UAW-Delphi Supplemental Agreement dated April 29, 2004, as may be amended, or (b) on the date of retirement. The Delphi HRP and GM HRP benefit class code applied to a Covered Employee who becomes covered by the terms of the UAW-Delphi Supplemental Agreement dated April 29, 2004, as amended will be no lower than the benefit class code in effect for such employee on the date immediately preceding their becoming covered by such agreement.
- 13) The parties agree that, except as otherwise mutually agreed by the UAW and Delphi after the term of the extended 2003 UAW-Delphi National Agreement, i.e. after September 14, 2011, Delphi will not amend the frozen Delphi HRP or successor plan to allow for lump sum distributions, to provide a more lucrative benefit

formula, or to provide for an expansion of credited service provisions or benefits. Additionally, at no time shall Delphi take such actions at levels exceeding those provided for in the GM HRP as the GM HRP may be amended from time to time, unless all GM and GM HRP obligations under sections b. and e. of the Benefit Guarantee are extinguished. Except as otherwise mutually agreed by the UAW and Delphi after the term of the extended 2003 UAW-Delphi National Agreement, i.e., after September 14, 2011, the Delphi HRP will not be required to recognize any extra grants of age or credited service, or other acceleration of retirement eligibility not provided for under the terms of the GM HRP as of the date immediately preceding the Effective Date, given to past or future Delphi flowbacks (including Covered Employees) by GM and/or the GM HRP or successor plan,.

OPEB

- 14) Pursuant to the Plan and this Term Sheet, as of the Effective Date or as soon as practicable thereafter in accordance with applicable law and administrative requirements (the "Cessation Date"), Delphi will cease to provide, offer, or have any liability for OPEB to its UAW represented hourly employees and retirees and their spouses, surviving spouses, dependents or other beneficiaries. The cessation will be administered on a "claims incurred" basis, and Delphi will therefore retain responsibility for all claims incurred but either unfilled or unpaid as of the Cessation Date. This cessation will include elimination of the Special Benefit relating to Medicare Part B. This cessation does not include the cessation of OPEB provided to Delphi employees or retirees subject to the terms of the UAW-Delphi Supplemental Agreement dated April 29, 2004, as amended, except as provided in paragraph 18 of this Term Sheet.
- 15) In furtherance of the Plan and this Term Sheet, the parties agree that Delphi's action to cease providing or offering OPEB on the basis referred to in paragraph 14 of this Term Sheet will trigger sections c. and d. of the Benefit Guarantee as of the Cessation Date as set forth herein. The parties further agree that the scope or manner in which GM satisfies its obligations under sections c. and d. of the Benefit Guarantee and this Term Sheet will not result in OPEB liability to Delphi. The parties further agree that GM will not satisfy its obligations under the Benefit Guarantee and this Term Sheet by reimbursing employees for COBRA continuation premiums.
- 16) The parties agree to fully cooperate with the efficient transfer of administrative responsibilities from Delphi to GM so that the Cessation Date will be the Effective Date or as soon as possible after the Effective Date, but in no case later than 3 months after the Effective Date (unless mutually agreed to by the parties). The parties further agree that there may be differing Cessation Dates for different portions of post-retirement medical plan benefits depending on the benefit and how quickly administrative responsibilities can be transferred. The parties further agree that the Cessation Date shall not occur unless and until GM is prepared to assume

responsibility for all covered claims incurred on and after the Cessation Date, in order to assure a smooth transition of the obligation.

17) In full satisfaction of the GM's obligations under sections c. and d. of the Benefit Guarantee, GM agrees to provide post-retirement medical and employer paid post-retirement life insurance to eligible Covered Employees as described herein. The parties further agree that the Special Benefit described in Article 5 of the UAW-Delphi health care agreement is a post-retirement medical benefit as defined in paragraph c.2 of the Benefit Guarantee, and is therefore covered by the Benefit Guarantee and the obligations set forth in the preceding sentence. The parties further agree as follows:

A. This triggering of sections c. and d. of the Benefit Guarantee shall apply only to Covered Employees :

- i. who as of the Effective Date are retired from Delphi with eligibility for OPEB under the terms of the 1999 or 2003 Delphi-UAW National Agreements;
- ii. who as of the Effective Date are eligible to retire from Delphi on a normal retirement basis under Article II, section 1 of the Delphi HRP (i.e., age 65) or an early retirement basis under Article II, sections 2(a)(1), 2(a)(2) or 2(a)(3) of the Delphi HRP (i.e., 60 & 10, 85 Point or 30 & Out) or as a retirement under mutually satisfactory conditions pursuant to Article II, section 2(b) of the Delphi HRP for the plants identified in section B.4 (excluding Athens) of the UAW-Delphi-GM Memorandum of Understanding Delphi Restructuring, with OPEB under the terms of the 2003 Delphi-UAW National Agreement in effect on the date immediately preceding the Effective Date; or
- iii. who when considering all Delphi HRP credited service accrued prior to the Freeze Date and GM HRP credited service obtained pursuant to paragraph 8.a. of this Term Sheet, become eligible to retire on a normal retirement basis under Article II, section 1 of the Delphi HRP (i.e., age 65) or an early retirement basis under Article II, sections 2(a)(1), 2(a)(2) or 2(a)(3) of the Delphi HRP (i.e., 60 & 10, 85 Point or 30 & Out) or as a retirement under mutually satisfactory conditions pursuant to Article II, section 2(b) of the Delphi HRP for the plants identified in section B.4 (excluding Athens) of the UAW-Delphi-GM Memorandum of Understanding Delphi Restructuring or as a Total and Permanent Disability retirement under Article II, section 3 of the Delphi HRP approved both by Delphi pursuant to the procedures applicable to the Delphi HRP as of the date immediately preceding the Effective Date and

approved by GM under the procedures applicable to the GM HRP,
within 7 years of the Effective Date.

- B. The parties agree that there is no triggering of sections c. and d. of the Benefit Guarantee for any Covered Employees other than those specifically identified in sub-paragraph A. of this paragraph of the Term Sheet. Additionally there is no triggering of sections c. and d. of the Benefit Guarantee for any Covered Employee who does not meet the conditions of paragraph 17 A. i., 17 A. ii, or 17 A iii. of this Term Sheet and is treated as deferred vested in the GM HRP or under the provisions of 8.f. of this Term Sheet.
- C. All post-retirement medical benefits provided with respect to Covered Employees by GM will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Health Care Program for Hourly Employees. As such, GM will provide the applicable unmitigated level of post retirement medical benefits consistent with the terms of the Modified Plan, as defined in the Settlement Agreement, on the same basis as such benefits are provided to GM-UAW hourly employees who retired from GM with eligibility to participate in the GM Health Care Program. All Delphi UAW represented employees who participated in the March 22, 2006 SAP and who elected an SAP option that permitted them to "check the box" and Delphi represented employees who retire meeting the conditions of 17. A. ii or 17.A. iii of this Term Sheet will for purposes of OPEB flowback to GM and will be treated for such purposes as a "check the box" retiree.. With regard to Mitigation as defined in the Settlement Agreement, for Covered Employees who retired from Delphi prior to October 1, 2005 with eligibility for corporate contributions under the Delphi Health Care Program for Hourly Employees (the "Delphi Retired Covered Employees"), the GM Health Care Program will also provide, during the term of the settlement agreement (the "Settlement Agreement") approved by the court in the case of *Int'l Union, UAW, et. Al. v. General Motors Corp., Civil Action No. 05-73991*, the same level (including dental) of post-retirement medical benefit Mitigation as that provided by the DC VEBA in place for GM-UAW retirees under the Settlement Agreement. Notwithstanding the above the parties agree that: (a) with regard to dental benefits for Delphi Retired Covered Employees, benefits and coverages will not exceed those outlined in Appendix C of the GM Health Care Program and benefits and coverages will be reduced to the extent the DC VEBA reduces dental benefits and coverages; and (b) with regard to other health care benefits the Mitigation provided by the GM Health Care Program will not exceed the initial level of Mitigation as of the Implementation Date specified in paragraph 14. A. of the Settlement Agreement. It is, otherwise, the intent of the parties that the eligibility of Covered Employees for post-retirement

medical benefits and the eligibility of Delphi Retired Covered Employees for Mitigation will be according to the same terms and conditions that such benefits are provided to GM-UAW retirees, including future changes or modifications, if any, to either unmitigated or mitigated coverage or the establishment of a new health care program covering GM-UAW retirees. This Agreement does not waive any rights, except as provided for in paragraph 21 of this Term Sheet, that GM, the UAW or the retirees have under either the GM Health Care Program or the terms of the Settlement Agreement. In addition the exercise by GM or the UAW of their rights under either the GM Health Care Program or the terms of the Settlement Agreement will have the same effect or consequence to Covered Employees and Delphi Retired Covered Employees that it has on GM-UAW hourly retirees.

- D. All employer-paid post-retirement Basic Life Insurance benefits provided with respect to Covered Employees by GM will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Life and Disability Benefits Program for Hourly Employees and will be at the level provided for Delphi UAW retirees on the date immediately preceding the Effective Date, provided however that in no event shall GM be required to provide benefits to Covered Employees at a level and scope that exceeds that being provided for UAW-represented hourly retirees of GM.
- E. The parties also agree that, if any Covered Employee other than those specifically identified in sub-paragraph A of this paragraph of the Term Sheet does not flowback to GM under the terms of the UAW-GM-Delphi Flowback Agreement or per the SAP, he or she will be deemed ineligible for OPEB from GM, or Delphi except in regard to Delphi as may be provided by Delphi under the UAW-Delphi Supplemental Agreement dated April 29, 2004, as amended. Provided however, that if a Covered Employee meets all of the following conditions: (a) is on an approved Extended Disability Leave of Absence from Delphi as of the Effective Date; (b) cannot become eligible to retire with GM post-retirement medical and employer paid post-retirement life insurance pursuant to paragraph 17. A. of this Term Sheet; (c) has applied for a Total and Permanent Disability retirement under Article II, Section 3 of the Delphi HRP within 7 years of the Effective Date and if approved retires; (d) meets the requirements to retire with GM provided post-retirement medical and employer paid post-retirement life insurance under the provisions of paragraph 17 of this Term Sheet without regard to the reference to "within 7 years of the Effective Date" contained in paragraph 17.A. iii. of this Term Sheet; and (e) has unbroken seniority with Delphi when they retire; such Covered Employee will be treated as a flowback to GM "check the box" only for purposes of post-retirement medical and

employer paid post-retirement life insurance. This provision addressing Covered Employees on Extended Disability Leave from Delphi will not apply to any other leave of absence, paid or unpaid, and does not impact any pension provision in this Term Sheet.

General Provisions

- 18) It is the intent of the parties that, except as specifically required by this Term Sheet, no employee covered by this Term Sheet can simultaneously receive, earn or accrue credited service, pension contributions, OPEB contributions or eligibility in more than one pension or OPEB plan sponsored or funded by GM, Delphi, a successor company and/or any Delphi operation divested after October 8, 2005, i.e. no “double dip”. As a result, the parties agree as follows:
- a) During the period of time a Covered Employee is eligible to accrue credited service in the GM HRP under paragraph 8.a. of this Term Sheet, such Covered Employee will not be eligible to participate in the Individual Retirement Plan provisions of the Delphi HRP or receive matching contributions under the Delphi Personal Savings Plan as provided for in the UAW-Delphi Supplemental Agreement dated April 29, 2004, as amended, or receive accruals in or contributions to any other defined benefit or defined contribution pension plan that is established or maintained by Delphi, a successor company or any Delphi operation divested after October 8, 2005;
 - b) Neither Delphi, a successor company, nor any Delphi operation divested after October 8, 2005 will provide any payments, contributions or accruals relating to OPEB including, but not limited to payments, contributions or accruals in the Retiree Medical Account (the “RMA”) as provided for in the UAW-Delphi Supplemental Agreement dated April 29, 2004, as amended, to any Covered Employee who can attain eligibility to receive OPEB from GM pursuant to paragraph 17 of this Term Sheet; and
 - c) Neither Delphi, a successor company, nor any Delphi operation divested after October 8, 2005 will provide any payments, contributions or accruals relating to OPEB including, but not limited to payments, contributions or accruals in the RMA, to any Covered Employee or other employee who attains eligibility for GM provided or GM funded OPEB through any means.
- 19) Delphi, GM, and the UAW agree to make all collective bargaining agreement, pension, and benefit plan amendments and modifications necessary to implement and comply with the terms contained herein.
- 20) Covered Employees electing a Buy Down under the UAW-Delphi-GM Memorandum of Understanding Delphi Restructuring will retain eligibility for OPEB and pension benefit treatment under this Term Sheet without regard to such election.

- 21) This Term Sheet shall not be effective unless the confirmation order approving the Plan incorporates and approves all of the terms of this Term Sheet (including the releases provided for herein), does not include terms that are inconsistent with this Term Sheet, and provides that on the Effective Date, the UAW, all employees and former employees of Delphi represented or formerly represented by the UAW, and all persons or entities with claims derived from or related to any relationship with such employees or former employees of Delphi, waive and be deemed to have waived any and all claims of any nature, whether liquidated, un-liquidated, contingent, non-contingent, asserted, unasserted, existing and/or arising in the future against Delphi, the Delphi HRP, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, GM, the GM HRP, the GM Health Care Program for Hourly Employees and the GM Life and Disability Benefits Program for Hourly Employees, and the officers, directors, employees, fiduciaries, and agents of each, arising from or related to any obligations of Delphi, GM and/or such employee benefits plans to provide OPEB or pension benefits, or related in any way to the amendment and freeze of the Delphi HRP, the cessation of Delphi OPEB and the triggering of the Benefit Guarantee; provided however, that claims for benefits provided for under the provisions of this Term Sheet or ordinary course claims by participants and beneficiaries of the GM HRP, the GM Health Care Program for Hourly Employees, the GM Life and Disability Benefits Program for Hourly Employees, Delphi HRP, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, arising after the Effective Date based on the denial or miscalculation of benefits under such plans are not waived. The parties acknowledge that Delphi and/or GM may seek additional waivers of other claims, other than ordinary course grievances and workers' compensation claims, in connection with the resolution of its current labor negotiations with the UAW. The parties also acknowledge that (i) the consideration provided by GM in this Term Sheet constitutes a substantial contribution to the Plan, (ii) this contribution is necessary to the success of the Plan, and (iii) GM would not have made this contribution without obtaining the releases provided for herein. The Parties further acknowledge that nothing in the preceding sentence shall give rise to or entitle GM to seek or be allowed any claim against or consideration from any entity, including Delphi, other than as specifically approved by the Bankruptcy Court as agreed to by Delphi and GM in a comprehensive settlement agreement resolving the financial, commercial, and other matters between them.
- 22) Delphi and GM will cause a transfer of pension assets and liabilities from the Delphi HRP to the GM HRP. This transfer is part of the overall Delphi restructuring and is designed to improve the funding level of the Delphi HRP. The transfer will have no effect on accrued pension benefits for employees who either remain in the Delphi HRP or are transferred to the GM HRP. Such transfer will be in an amount agreed to between GM and Delphi and will be conducted in accordance with Section 414(l) of the Internal Revenue Code of 1986, as amended, and Section 208 of the Employee Retirement Income Security Act of 1974, as amended.

- a) Any such transfer will be subject to the Internal Revenue Service ("IRS") ruling issued to Delphi and GM on May 29, 2007 related to the transfer, as may be amended from time to time.
 - b) The participants and their corresponding assets and liabilities to be included in the transfer will proceed in the following order to the extent necessary to achieve the amount of the transfer agreed upon by GM and Delphi.
 - i) All UAW-represented employees who, before the date of the transfer ("the Transfer Date"), have flowed back to GM from Delphi (retired and active) or IUE-CWA represented employees who return to GM under a flowback or preferential hiring agreement.
 - ii) Participants on a proportionate basis by union in any pre-retirement program ("PRP") option offered and selected as part of the UAW-GM-Delphi Special Attrition Program, the IUE-CWA-GM-Delphi Special Attrition Program, any such Delphi PRP option included in any special attrition program negotiated with the USWA, and any other PRP option in a special attrition program implemented prior to the Transfer Date. Within a given union, retired participants will be selected prior to active participants.
 - iii) Participants on a proportionate basis by union in the MSR option offered by Delphi to Delphi employees (the "Delphi MSR") in the UAW-GM-Delphi Special Attrition Program, the IUE-CWA-GM-Delphi Special Attrition Program, any such Delphi MSR option included in any special attrition program negotiated with the USWA, and any other MSR option in a special attrition program implemented prior to the Transfer Date.
 - iv) The selection of retired or active PRP participants will be based on the highest seniority with Delphi as of the participant's retirement date for retired PRP participants, or the Transfer Date for active PRP participants. The selection of Delphi MSR participants will be based on the highest seniority with Delphi as of the participant's retirement date.
 - c) Except as otherwise agreed in future bargaining, the benefit payable by the GM HRP relating to the liability transferred to the GM HRP for a participant whose assets and liabilities were transferred will be based on the Delphi HRP rate in effect as of the Transfer Date. To the extent assets and liabilities associated with active flowbacks and PRP participants are included in the transfer, GM will assume the responsibility for recognizing all past and future benefit service for this population under the GM HRP, including but not limited to the payment of any early retirement supplement.
 - d) After the transfer, the Delphi HRP will not retain any obligations for or relating to the pension liabilities transferred.
- 23) Nothing in this Term Sheet shall be deemed to prevent the UAW and Delphi, after the term of the extended 2003 National Agreement, i.e., after September 14, 2011,

from negotiating future changes in pension or other benefits payable to any Covered Employee.

- 24) The parties have developed a series of examples (the "Examples"), attached hereto as Appendix 1, to show the operation of the provisions of this Term Sheet. The Examples are incorporated herein and made part of this Term Sheet. For the Examples which include individuals whose assets and liabilities are transferred in the 414(l) transfer, the pension benefit amount to be paid from the Delphi HRP will be payable from the GM HRP.
- 25) In the event a situation involving the pension benefits of a Covered Employee arises that is not addressed by the terms of this Term Sheet or the examples that are a part of this Term Sheet, the intent of the parties is as follows. The pension benefits provided under paragraph 8 of this Term Sheet when combined with pension benefits payable by Delphi plans and the PBGC will in the aggregate equal the benefits that would have been provided under the terms of the Delphi HRP in effect on the date immediately preceding the Effective Date, assuming the Delphi HRP was not frozen until expiration of a period of 7 years from the Freeze Date. In applying this paragraph all conditions set forth in this Term Sheet continue to apply. Except as otherwise provided in this Term Sheet, neither GM nor the GM HRP will recognize Mutual Retirements from the Delphi HRP or any extra grants of age or credited service, or other acceleration of retirement eligibility by Delphi or the Delphi HRP, unless specifically agreed to in writing by GM in its sole discretion. Nothing in this paragraph shall expand any obligation under paragraph 8 of this Term Sheet or require GM or the GM HRP to provide more years of credited service to a Covered Employee than are provided for under paragraph 8.a. i and ii of this Term Sheet.

- Ultimate Amount equals **\$24,705** (27 years of credited service x 1.5% = 40.50%; Eligible for 40.50% of \$61,000)

Note: In no event will a Delphi retiree's Basic Life insurance benefit exceed that of a similarly situated GM retiree.

Employee works 4 more years at Delphi after the Freeze

Maximum base hourly rate for job classification as of 6/30/2007 is \$27.00/hr

Example #14- Employee Has Less Than 30 Years of Credited Service as of Delphi Plan Freeze Date and the Plant is Divested in the Future

Assume Effective Date and Delphi Plan Freeze Date is 7/1/2007

Employee's Credited Service as of 6/30/2007 = 26.5 years

Employee continues to work at Delphi for another 2.5 years and then the plant is sold effective 1/1/2010

At the time of the divestiture, the employee has 29 years of credited service

Employee works for the New Company for an additional 2 years and then retires

Example assumes that the Delphi Hourly-Rate Employees Pension Plan IS AMENDED to treat employees at the New Company as active participants for all purposes, other than future benefit accruals based on additional credited service, for all periods of time on or after the Freeze Date and prior to retirement or separation from service from Delphi or any Delphi operation divested after October 8, 2005.

30&Out Retirement

Retirement effective 1/1/2012 with 31 years of total eligibility service

Single – Age 55 at time of retirement (age 53 at time of divestiture)

Benefit Class Code C

Assumes the benefit rate levels in effect under the 2003 Hourly-Rate Employees Pension Plan

[Example also assumes that the New Company offers a new Defined Benefit (DB) Pension Plan. The value of the monthly annuity accrued under the new DB plan for the two years that this employee works at the New Company is assumed to be \$100 per month in this example.] An alternative approach is under review by the parties.

Calculation of Benefit:

Total Benefit prior to age 62 and one month:

Delphi Share:

Basic Benefit: $\$51.40 \times 26.5 = \$1,362.10 \times .579$ (due to age reduction) =	\$ 788.66
Early Retirement Supplement	<u>\$2,231.34</u>

	<u>(\$ 100.00)⁽²⁾</u>

[Less New Company's DB Plan

An alternative approach is under review by the parties.

Monthly Benefit Payable = **\$2,920.00**

GM Share: **\$ 0**

New Company Share:

Monthly Benefit Payable = **\$ 100.00**

Total to Retiree: **\$3,020.00**

⁽¹⁾ Since this example assumes that the Delphi Hourly-Rate Employees Pension Plan IS AMENDED as noted, this example retiree is eligible for a 30&Out Retirement under the Delphi pension plan

based on 31 years of total eligibility service. Prior to attaining age 62 and one month, Delphi is responsible for paying a Basic Benefit based on the years of credited service accrued as of the Freeze Date, which is 26.5 years, and the full Early Retirement Supplement. Since the Delphi pension plan recognizes the service at the New Company for retirement eligibility purposes, so will GM as it relates to the credited service accrued under the Benefit Guarantee as depicted below.

[(2) Delphi shall also be entitled to offset from any Supplement paid prior to age 62 and one month, the full value of any benefits applicable to an employee covered under a successor company defined benefit or defined contribution pension plan, regardless of when payable, other than those benefits solely attributable to employee contributions.] An alternative approach is under review by the parties.

Total Benefit at age 62 and one month:

Delphi Share:

Basic Benefit: $\$51.40 \times 26.5 =$ **\$1,362.10**

GM Share: (BG Credited Service)

Basic Benefit: $\$51.40 \times 4.5 =$ \$ 231.30

[Less New Company's DB Plan (\$ 100.00)] An alternative approach is under review by the parties.

Monthly Benefit Payable = **\$ 131.30 ^{(1) (3)}**

New Company Share:

Monthly Benefit Payable = **\$ 100.00**

Total to Retiree: \$1,593.40

[(3) GM shall also be entitled to offset from any obligation under the Benefit Guarantee the full value of any benefits applicable to a Covered Employee under a Delphi or successor company defined benefit or defined contribution pension plan, regardless of when payable, other than those benefits solely attributable to employee contributions. Furthermore, GM's obligations to provide a particular benefit under the Benefit Guarantee will not apply to the extent Delphi or a successor company carves out any Covered Employee from all or part of any Delphi or successor company benefits provided to non-Covered Employees.] An alternative approach is under review by the parties.

Note: Since Delphi is recognizing the service accrued at the New Company for retirement eligibility purposes and this employee reached retirement eligibility within 7 years of the Effective Date, this example retiree is eligible for OPEB in retirement from GM.

[GM shall also be entitled to offset from any obligation under the Benefit Guarantee the full value of any benefits applicable to a Covered Employee under a Delphi or successor company post-retirement health care or life insurance plan, regardless of when payable, other than those benefits solely attributable to employee contributions. Furthermore, GM's obligations to provide a particular benefit under the Benefit Guarantee will not apply to the extent Delphi or a successor company carves out any Covered Employee from all or part of any Delphi or successor company benefits provided to non-Covered Employees.] An alternative approach is under review by the parties.

Example #15- Employee Has Less Than 30 Years of Credited Service as of Delphi Plan Freeze Date and the Plant is Closed in the Future

Assume Delphi Plan Freeze Date is 7/1/2007

Employee's Credited Service as of 6/30/2007 = 26.5 years

Employee continues to work at Delphi for another 2.5 years and then the plant is permanently closed effective 1/1/2010

At the time of the closure, the employee has 29 years of credited service

This example assumes that the employee is placed on lay-off status after the plant closure.

After being on lay-off status for 3 years, the employee elects to retire.

30&Out Retirement

Retirement is effective 1/1/2013 with 30.9 years of credited service. Under the Delphi pension plan, the employee is entitled to receive up to 1.9 years of credited service while on lay-off status.

Single – Age 55 at retirement (age 52 at time of plant closure)

Note: The GM HRP is owed for the cost of the surviving spouse coverage for those months between retirement and attaining age 62 and one month. Even though a Basic Benefit was not being paid by GM during these months, the surviving spouse coverage has been in place since date of retirement and would have been invoked if the retiree died prior to attaining age 62 and one month.

Calculation of the Cost of the GM Surviving Spouse Coverage for the period 1/1/2014 through 1/1/2018:

The parties will discuss administrative procedures to collect the \$818.79 that is owed to the GM HRP for the cost of the surviving spouse coverage.

Note: This example retiree would be eligible for OPEB in retirement from GM. Employee reached retirement eligibility within 7 years of the Effective Date.

Assume Effective Date and Delphi Plan Freeze Date is 7/1/2007

Employee's Credited Service as of 6/30/2007 = 8 years

Employee works 1 additional year at Delphi after the Freeze

Normal Retirement- Age 65

Retirement effective 7/1/2008 with 9 years of credited service

Single – Age 65 at retirement

Benefit Class Code C

Assumes the benefit rate levels in effect under the 2003 Hourly-Rate Employees Pension Plan

Calculation of Benefit:

Total Benefit Payable:

Delphi Share:

Basic Benefit: $\$51.40 \times 8 =$ **\$411.20**

GM Share: (BG Credited Service)

Basic Benefit: $\$51.40 \times 1 =$ **\$ 51.40**

Total To Retiree: \$462.60

Note: This example retiree would not be eligible for OPEB in retirement from GM, since the employee retired with less than 10 years of credited service.

Example #23- Employee Retires Under an 85 Point Retirement But Does Not Become Eligible for OPEB Within 7 Years of the Effective Date

Assume Effective Date and Delphi Plan Freeze Date is 7/1/2007

Employee's Credited Service as of 6/30/2007 = 20 years

Employee continues to work at Delphi for another 8 years

85 Point Retirement

Retirement effective 7/1/2015 with 28 years of service

Single – Age 58 at retirement

Employee had a total of 27 years of credited service as of the 7 year anniversary of the Freeze Date

Benefit Class Code C

Assumes the benefit rate levels in effect under the 2003 Hourly-Rate Employees Pension Plan

Calculation of Benefit:

Total Benefit prior to age 62 and one month:

Delphi Share:

Basic Benefit: $\$51.40 \times 20 = \$1,028.00$	$\times .752$ (due to age reduction)	=	\$ 773.06
Interim Supplement: $\$36.60 \times 20 =$			<u>\$ 732.00</u>
			\$1,505.06

GM Share: (BG Credited Service)

Basic Benefit: $\$51.40 \times 7 = \359.80	$\times .752$ (due to age reduction)	=	\$ 270.57
Interim Supplement: $\$36.60 \times 7 =$			<u>\$ 256.20</u>
			\$ 526.77

(Note: GM is responsible for a portion of the Interim Supplement since the employee is age 58 at the time of retirement and had 27 years of credited service as of the 7 year anniversary of the Freeze Date.

GM recognizes this is an 85 point retirement for pension purposes).

Total to Retiree:	\$2,031.83
--------------------------	-------------------

Total Benefit at age 62 and one month:

Delphi Share:

Basic Benefit: $\$51.40 \times 20 =$	\$1,028.00
--------------------------------------	-------------------

GM Share: (BG Credited Service)

Basic Benefit: $\$51.40 \times 7 =$	<u>\$ 270.57</u>
-------------------------------------	-------------------------

Total to Retiree:	\$ 1,298.57
--------------------------	--------------------

Note: This example employee would not be eligible for OPEB in retirement from GM.

Employee did not reach retirement eligibility within 7 years of the Effective Date. As of July 1, 2014, employee was age 57 with 27 years of credited service.

Example #24- Death of a Delphi Employee

Assume Effective Date and Delphi Plan Freeze Date is 7/1/2007

Employee's Credited Service as of 6/30/2007 = 26.5 years

Employee continues to work at Delphi for another 6.5 years and then dies while still employed

Date of death 1/1/2014 with 33 years of credited service

Employee deemed to be a 30 & Out Retirement as of the date of death

Age 58 on date of death

Married at least one year as of the date of death- age difference between retiree and spouse within 5 years

Benefit Class Code C

Assumes the benefit rate levels in effect under the 2003 Hourly-Rate Employees Pension Plan

Calculation of Benefit to Surviving Spouse:

Delphi Share:

Basic Benefit: $\$51.40 \times 26.5 =$ $\$1,362.10$

Less Cost of Surviving Spouse Coverage: $\$51.40 \times 26.5 = \$1,362.10 \times 0.05 =$ $(\$ 68.11)$

Monthly Amount Payable to Retiree: $\$1,293.99$

Monthly Amount Payable to Surviving Spouse: $\$1,293.99 \times 0.65 =$ **\$ 841.09**

GM Share: (BG Credited Service)

Basic Benefit: $\$51.40 \times 6.5 =$ $\$ 334.10$

Less Cost of Surviving Spouse Coverage: $\$51.40 \times 6.5 = \$334.10 \times 0.05 =$ $(\$ 16.71)$

Monthly Amount Payable to Retiree: $\$ 317.39$

Monthly Amount Payable to Surviving Spouse: $\$317.39 \times 0.65 =$ **\$ 206.30**

Total to Surviving Spouse: **\$1,047.39**

Note: This example surviving spouse would be eligible for health care from GM since the employee reached retirement eligibility within 7 years of the Effective Date. However, Delphi is responsible for the employee's Basic life insurance benefit since he was still actively employed at the time of death.

Example #25- Death of a Pre-Retirement Leave Participant (PRP) under the SAP

Assume Effective Date and Delphi Plan Freeze Date is 7/1/2007

Employee's Credited Service as of 6/30/2007 = 27 years

Employee continues to be on the PRP leave for another 2 years and then dies before reaching 30 years of credited service

Date of death 7/1/2009 with 29 years of credited service

Age 55 on date of death

Employee is not retirement eligible as of the date of death

Married at least one year as of the date of death- age difference between retiree and spouse within 5 years

Benefit Class Code C

Assumes the benefit rate levels in effect under the 2003 Hourly-Rate Employees Pension Plan

Delphi is responsible for the entire pension benefit payable to the surviving spouse, the Survivor Income Benefit Insurance (SIBI) benefit, and the Basic life insurance benefit since the employee was still considered employed.

Since this employee was not retirement eligible at the time of death, the surviving spouse would not be eligible for any post-retirement health care from GM.

UAW-Delphi-GM Special Attrition Program -Transformation

1. Delphi and the UAW agree on the following Special Attrition Program – Transformation (SAP-T) for Delphi employees:
 - a. An attrition program will be run for Delphi employees as follows:
 - i. \$35,000 for normal or early voluntary retirements retroactive to February 1, 2007 but no later than September 1, 2007.
 - ii. 50 & 10 Mutually Satisfactory Retirement (MSR) effective September 1, 2007.
 - b. Any employee with at least 26 and less than 30 years of credited service regardless of age will be eligible for special voluntary placement in a pre-retirement program under the following terms:
 - i. Employees electing this pre-retirement program must be eligible no later than September 1, 2007
 - ii. Employees will retire without additional incentives when they first accrue 30 years of credited service under the provisions of the Delphi Hourly-Rate Employees Pension Plan ("Delphi HRP").
 - iii. The gross monthly wages while in the program will be:
 1. 29 years credited service \$2,900
 2. 28 years credited service \$2,850
 3. 27 years credited service \$2,800
 4. 26 years credited service \$2,750

Wages will be paid weekly on an hourly basis (2,080 hours per year) and will remain at that rate until 30 years of credited service is accrued.

Employees will be treated the same as protected status employees with the following exceptions: (1) not eligible for Cost of Living Allowance (COLA); (2) not eligible for vacation pay except as was earned and unpaid prior to the commencement of this Pre-Retirement Program; (3) for purposes of pension benefits, the Benefit Class Code will be determined using the twenty-four month look back period as specified in Appendix A of the Delphi HRP, with said period starting from the last day worked prior to the commencement of the pre-retirement program; (4) for purposes of life insurance, the amount of life insurance will be based on the base rate as of the last day worked prior to the commencement of the pre-retirement program.

- c. Buy out of \$140,000 for traditional employees with 10 or more years of seniority or credited service or \$70,000 for traditional employees with less than 10 years of seniority to sever all ties with GM and Delphi except any vested pension benefits. Employees will buy-out when their services are no

- longer required but no later than September 15, 2007. An employee electing a buyout whose spouse is employed at Delphi, may, if they meet all plan requirements to do so, be eligible for health care coverage as a dependent pursuant to their spouse's health care program.
- d. An employee may only select one of the options described above.
 - e. Effective October 1, 2007, all Traditional Employees (other than those participating in option 1.b.), both production and skilled trades, not electing an attrition option will become Supplemental Employees consistent with the UAW-Delphi-GM Memorandum of Understanding -Delphi Restructuring.
 - f. Temporary employees will be used as needed to bridge any difficulties arising from the implementation of the Special Attrition Program – Transformation subject to approval of the National parties.
2. GM, the UAW and Delphi agree that any employee electing to retire under options 1.a.i., 1.a.ii, or 1.b. will be treated as a flowback to GM for purposes of retirement ("check the box"). Such employees will be considered a flowback to GM effective the day of retirement for purposes of the U.S. Employee Matters Agreement and all GM, UAW and Delphi agreements governing flowbacks, including this SAP-T. Any employee choosing option 1.b. above will be considered a Delphi employee until they retire. In exchange for eligibility to receive post-retirement health care and life insurance benefits from GM, employees electing to "check the box" will waive any and all rights to post retirement health care and life insurance benefits from Delphi including but not limited to any and all rights to COBRA continuation through Delphi.
3. The parties acknowledge the following matters regarding the Special Attrition Program - Transformation:
- a. Delphi's participation in this SAP-T is subject to the approval of the U.S. Bankruptcy Court; which approval Delphi will seek promptly at the next available omnibus hearing. In the event such participation is not allowed by the Bankruptcy Court, GM and the UAW will have no obligations hereunder. GM's obligations hereunder are subject to approval of this SAP-T by the U.S. Bankruptcy Court pursuant to entry of an order that provides for the treatment of GM's claims as described in this SAP-T and is otherwise reasonably satisfactory to GM, Delphi and the UAW based on the prior UAW special attrition program orders approved in Delphi's chapter 11 cases.

- b. For the avoidance of doubt, any obligations assumed by GM under this SAP-T with respect to OPEB under paragraph 2 above or active health care and life insurance under paragraph 3.d. below shall be conclusively deemed to be comprehended by, included within, and shall constitute a prepetition, general unsecured claim assertable by GM against the estate of Delphi Corporation under the U.S. Employee Matters Agreement (including without limitation, related flowback agreements and the UAW-GM-Delphi Memorandum of Understanding – Benefit Plan Treatment and the UAW-GM-Delphi Flowback Agreements contained in the 1999 and 2003 GM-UAW and Delphi-UAW Contract Settlement Agreements, as amended), Delphi's Agreement dated December 22, 1999 to indemnify GM for its liability under the Benefit Guarantee as if all conditions for the triggering of GM's claim shall have occurred, and Delphi's general indemnity of GM under the Master Separation Agreement. GM agrees to assume and pay OPEB payments to Delphi employees who "check the box" and/or flow back to GM for purposes of retirement, and to pay the amounts due under Paragraph 1 a.i. above. The presumed triggering of GM's claim against Delphi Corporation described above is only for purposes of this SAP-T and does not trigger any contractual claims against either Delphi or GM beyond their respective obligations under this SAP-T.
- c. This SAP-T shall not be subject to abrogation, modification or rejection without the mutual consent of the UAW, GM and Delphi and the order obtained in the Bankruptcy Court by Delphi approving this SAP-T shall so provide. The parties further agree (and the Bankruptcy Court order shall also provide) that this SAP-T is without prejudice to any interested party (including the parties to this SAP-T and the Official Committee of Unsecured Creditors) in all other aspects of Delphi's Chapter 11 cases, including by illustration, Delphi's and GM's respective positions in all commercial discussions and claims matters between them, all collective bargaining matters involving the parties, in any potential proceedings under Sections 1113 and/or 1114 of the Bankruptcy Code with respect to the UAW and under Section 365 of the Bankruptcy Code with respect to GM's contracts with Delphi, in any pension termination proceeding under ERISA and/or the Bankruptcy Code, and all claims administration and allowance matters.
- d. Nothing in this SAP-T shall limit or otherwise modify (a) Delphi's rights under Section 4041 of ERISA, or (b) Delphi's rights under Section 1113 and/or 1114 of the Bankruptcy Code with regard to any obligations which pre-existed this SAP-T (including pre-existing obligations referenced within this SAP-T), such as (by way of illustration only) the obligation to maintain the Delphi HRP or provide retirees or active employees (including employees/retirees participating in the attrition programs contained in this SAP-T) with levels of healthcare or other benefits as

ATTACHMENT C

specified in pre-existing labor agreements. Under no circumstances shall Delphi freeze the Delphi HRP in a manner that prevents employees in the pre-retirement program described in Paragraph 1. b. above from receiving on-going credited service sufficient to reach 30 years of credited service. Delphi shall provide the same healthcare and life insurance coverage to employees participating in Paragraph 1.b. above that it provides to its other active UAW employees; provided, however, that if Delphi reduces or eliminates such coverage provided to its active UAW employees, GM shall subsidize such coverage provided to employees participating in Paragraph 1.b. above up to the level provided to GM-UAW active employees. Except as otherwise expressly provided herein, nothing in this SAP-T shall limit, expand or otherwise modify the rights or obligations of any party under the Benefit Guarantee between GM and the UAW.

- e. Nothing contained herein shall constitute an assumption of any agreement described herein, including, without limitation any collective bargaining agreement between the UAW and Delphi or any commercial agreement between GM and Delphi, nor shall anything herein be deemed to create an administrative or priority claim with respect to GM or convert a prepetition claim into a postpetition claim or an administrative expense with respect to any party.
- f. For the avoidance of doubt, any employee participating in the Special Attrition Program - Transformation under 1.a.i, 1.a.ii, or 1.b above, who flows back to GM for purposes of retirement ("check the box"), will be eligible to retire in accordance with Sections 3.a.6. and 3.b.6. of the UAW-GM-Delphi Memorandum of Understanding Benefit Plan Treatment ("MOU"). For illustrative purposes, as provided in the MOU, such Delphi employees will be eligible for pro-rata pension benefits as defined in the MOU, including but not limited to eligibility for all basic benefits and supplements. For example, such employees checking the box who have 100% of his/her credited service in the Delphi HRP will receive 100% of their pension benefit from the Delphi HRP.

**INFORMATIONAL NOTICE OF MOTION FOR ORDER APPROVING MEMORANDUM OF
UNDERSTANDING AMONG UAW, DELPHI, AND GENERAL MOTORS CORPORATION,
INCLUDING MODIFICATION OF UAW COLLECTIVE BARGAINING AGREEMENTS AND
RETIREE WELFARE BENEFITS
FOR CERTAIN UAW-REPRESENTED RETIREES**

**INFORMATION FOR UAW-REPRESENTED
EMPLOYEES AND RETIREES OF DELPHI CORPORATION**

On June 29, 2007, Delphi Corporation and certain of its affiliated debtors and debtors-in-possession ("Delphi"), filed the **Motion For Order Under 11 U.S.C. §§ 363, 1113 and 1114 and Fed. R. Bankr. P. 6004 and 9019 Approving Memorandum of Understanding Among UAW, Delphi, and General Motors Corporation, Including Modification of UAW Collective Bargaining Agreements and Retiree Welfare Benefits For Certain UAW-Represented Retirees** (the "Approval Motion"), which seeks bankruptcy court approval (subject to ratification by the UAW) of a memorandum of understanding dated June 22, 2007 (the "Agreement" or "Memorandum of Understanding") among Delphi, General Motors, and the UAW regarding Delphi's restructuring.

On July 19, 2007 at 10:00 a.m., the United States Bankruptcy Court (the "Court") for the Southern District of New York will conduct a hearing on approval of the Agreement.

If approved by the Court (and ratified by UAW), the Agreement will go into effect. The Agreement provides, among other terms, that:

A. Effective upon the later of entry of an order approving the Agreement or the first Monday following receipt of written notice of ratification from the UAW:

- The terms of the UAW collective bargaining agreements ("CBAs") will be extended until September 14, 2011;
- A site plan will be implemented with respect to each of 21 UAW-Delphi plants which includes specific revenue, production, and job commitments

from Delphi and/or GM and pursuant to which Delphi will retain ownership and operations in four facilities, seven facilities will be sold or transferred to a third party so that Delphi will have no further operational or employment responsibilities after certain specified sunset dates, and ten facilities will be closed;

- A workforce transformation program will be implemented for traditional UAW-represented employees that provides eligible employees with transformation plan options including (1) attrition options similar to the previously-approved UAW attrition programs, (2) flowback rights to eligible Delphi employees as of the date of the filing of Delphi's bankruptcy petition who do not elect the attrition options, including relocation allowances of up to \$67,000 in certain circumstances when plants cease production, (3) provision of lump sum "buy-down" payments totaling \$105,000 for traditional production employees who do not elect the attrition option or flowback and continue to work for Delphi under the terms of the 2004 UAW-Delphi Supplemental Agreement applicable to employees hired after 2004, transferring those employees to Supplemental Employee Status¹ as of October 1, 2007, (4) conversion of temporary employees in UAW-Delphi plants to permanent employee status, and (5) severance payments up to \$40,000 to eligible employees who are permanently laid off prior to September 14, 2011;
- Certain terms of the 2004 UAW-Delphi Supplemental Agreement with respect to wages, individual retirement and savings plans, and post-retirement health care accounts will be modified;
- Certain terms of the UAW CBAs will be modified with respect to provisions covering hiring requirements, existing CHR/Legal Services, holiday schedule, Appendix L, GIS, AOL, and other matters described in Attachment E to the Memorandum of Understanding;
- Local negotiations subject to mutual agreement regarding work rules and other local agreement issues will be conducted on an expedited basis;
- Delphi's commitment in the 2004 UAW-Delphi Supplemental Agreement to the principle of "equivalence of sacrifice" when establishing compensation and benefit levels for salaried employees and management is reaffirmed;
- There will be provisions for resolution of claims, including waivers and releases to be effective as part of Delphi's plan of reorganization; and
- The UAW will receive an allowed prepetition claim, to be paid pursuant to the plan of reorganization in the amount of \$140 million on account of the CHR and Legal Services claims as of April 1, 2007 (to be adjusted for accruals through October 1, 2007 and adjusted for expenditures by Delphi

¹ Capitalized terms used and not defined in this informational notice have the meanings set forth in the Agreement.

until the effective date of a plan of reorganization) of which \$30 million will be paid to the UAW-GM Center for Human Resources and the balance will be paid directly to the DC VEBA established pursuant to a settlement agreement approved by the court in the case of International Union, UAW, et al. v. General Motors Corp., Civil Action No. 05-73991.

B. Effective upon the execution by Delphi and GM of a comprehensive settlement agreement resolving certain financial, commercial, and other matters between Delphi and GM and substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases and confirmed by the Court which incorporates, approves, and is consistent with all of the terms of the Agreement and Delphi-GM settlement:

- Delphi's obligation to provide certain retiree welfare benefits will be eliminated and GM will be obligated to provide certain retiree welfare benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- A transfer of certain pension assets and liabilities from Delphi's pension plans to GM's pension plans will be effectuated pursuant to Internal Revenue Code Section 414(l) in exchange for certain consideration to be paid by Delphi to GM;
- Delphi's existing pension plan will be frozen in certain respects effective upon emergence from chapter 11 and GM is obligated to pay certain benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- The amount of \$450 million will be funded by GM, which the UAW has directed to be paid directly to the DC VEBA established pursuant to a settlement agreement approved by the court in the case of International Union, UAW, et al. v. General Motors Corp., Civil Action No. 05-73991.

C. In addition, under Delphi's plan of reorganization:

- The Memorandum of Understanding (including the UAW CBAs) will be assumed pursuant to 11 U.S.C. § 365;
- Delphi and GM will receive releases from the UAW, all employees and former employees of Delphi represented or formerly represented by the UAW, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly or indirectly from or in any way related to any obligations under the collective bargaining agreements or the Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the Memorandum of Understanding).

This list is only a summary of some of the terms of the Agreement and is qualified entirely by and is subject to the actual terms and conditions of the Agreement. A complete copy of Delphi's court papers, including the Memorandum of Understanding, can be obtained at

www.delphidocket.com or by calling 1-888-249-2691. Delphi's plan of reorganization will be considered by the Court at a later time and you will receive notice about that proceeding.

A copy of the notice of the Approval Motion is attached hereto.
